RECIPE FILE

Spicy summer soup

'Tis the season for Gazpacho

Appealing chunks of Ontario tomatoes and cucumbers give this easy Gazpacho a spicy, summer freshness perfect for entertaining.

For best flavor results and relaxed party planning, prepare and refrigerate this soup the day before.

At serving time, simply stir the Gazpacho well and spoon into cups or bowls.

Ingredients

- 6 Ontario tomatoes, peeled
- 1 Ontario cucumber
- 1 small onion, peeled
- 1 clove garlic, minced
- 1 tsp (5 mL) salt
- 1 cup (250 mL) tomato juice
- 3 tbsp (50 mL) vegetable oil
- 3 tbsp (50 mL) vinegar
- Dash of hot pepper sauce

Directions

To peel tomatoes, dip in boiling water for 30 seconds, then in ice water. Slip skins off.

Coarsely chop half the tomatoes, cucumber and onion. Combine in blender jar with garlic and salt. Add tomato juice, vegetable oil, vinegar and hot

pepper sauce. Purée mixture in blender (don't make too smooth a purée).

Finely chop remaining tomatoes, half cucumber and onion. Combine in large bowl. Pour purée mixture over chopped vegetables; stir to mix. Cover and refrigerate at least 2 to 3 hours or overnight. Before serving, stir the soup well. Serves 6 to 8.

Preparation time: 10 min.
Chilling time: 2 hours
