Could your teen write an ad like this?

"This letter is to express my thanks.

The course I took at the Barrie location 2 years ago saved my life.

I avoided a head-on collision because I was taught the "Head-on Collision avoidance" technique.

The police stated that without this driving skill I would have been killed or injured.

I feel the greatest thanks should go to my instructor Andy, as it was his voice I heard in my head, telling

me to use "Head-on avoidance"!

I feel that this course should be law for all new drivers. The life they may save could be their own!"
