37 In Memoriams

In loving memory of our dear brother
Chris "HYPE" Heipel who tragically was
taken away from us September 1, 1995.

The memories that many people have of you still lie in their hearts, and will never be forgotten. Many hearts will never be the same Without you around. And even though you are not here, your love still is. You were a special person with many gifts And a smile that could light up a room. And you will always be remembered for Whatever you accomplished and For the love you gave to others. It was too soon to say goodbye to someone Who deserved more than what life had to offer. And the memories that you gave us: In the short time you were here, Will be in our hearts for eternity And will never be forgotten.

Love Always & Forever
Paula, Bob, Brad and Robyn

HEIPEL, Chris - In memory of our son, Chris, who was taken from us one year ago, September 1, 1995.

We were not there to see you die
To hold your hand or kiss you goodbye
But we will remember our whole life through
The wonderful memories we have of you
People can't believe a year has come already
Well, it feels like ten years, all the pain
And heartache our family has gone through
Could not possibly have happened
In only one

We love you Chris
and miss you every minute, every day
LOVE MOM & DAD

HEIPEL, Chris - In loving memory of a dear Grandson, who passed away September 1, 1995.

I think of him in silence
His name I oft recall
There is nothing left to answer
But his picture on the wall.

LOVE GRANDMA MOUNTAIN

37 In Memoriams

HEIPEL, Christopher - In loving memory of a dear boyfriend who was taken from me September 1, 1995.

A year has passed suddenly
It's hard to believe your gone
My heart will always yearn for you
I wish there was something I could do
The memories of your laughter and smile
Help me walk that extra mile
I love you more than words could say
I would give anything for it not to be this way
I know you're happy up above for
I can feel all your love

But silent and lonely are the tears that fall
Living life without you is the hardest part of all
My heart reminds me every day
Because a part of me was taken away
I can't describe the pain I feel
For it should never be this real
But it's pointless to ask the question why
For I don't wish to say good-bye
Yet even though we are apart
You will remain forever in my heart
Until we meet again
LOVING YOU ALWAYS LISA
