

# CAMPBELLVILLE

valley complete with stream and millpond and you will understand why it draws so many visitors.

The Campbellville area within the Town

of Milton extends north and south of Highway 401 at Guelph Line and encompasses the historic township of Nassagaweya and the hamlets of Brookville, Moffat and Campbellville.

## ANTIQUE STAINED GLASS WINDOWS

One of Canada's largest selection of authentic stained glass windows.

Our stained glass windows are most often used to hang inside existing windows for decorating effects, but they have also been used as room dividers, bath enclosures, overhead lights and as "built-ins", used in building and renovating.

They have gone into homes, offices and churches. They also make intriguing and creative gifts.
