

155 Skilled Help

MAINTENANCE PERSON MACHINE OPERATOR

This well established manufacturer of concrete products has an opening for a versatile individual to be part of a team operating and maintaining production machinery at their Milton Plant.

Applicants must have training in heavy industrial maintenance, at least 2-years job experience and basic welding and fabricating. Working knowledge of 3 phase electrical, industrial controls, and computer literacy would be valuable assets.

Some shift work and Saturday work during busy season. Competitive benefit package included. Please reply with resume or letter, indicate pay expectations to:
