

# DON'T BUCKLE UNDER PRESSURE

## Wear Your Seat Belt!

Police have a new plan of action for this year's blitz during Operation Impact, a Canada-wide police campaign promoting the use of seat belts.

The thrust of the program will be directed at "high-risk" drivers. People who drink and drive, tailgate, ignore traffic signals along with those who fail to buckle up. The bottom line is seat belts save lives.

*This important reminder about Seat Belts is brought to you by the Canadian Champion & these fine sponsors who are concerned for your safety on the road.*
