As our Coating/Chemical Blender you are at the heart of the action ...

We are a successful and established Canadian manufacturer of high-performance specialty coatings with rapidly expanding markets.

We are looking for a bright, highly self-motivated and well organized individual to join our manufacturing staff.

Your strength would be previous batching or blending experience in a paint or chemical environment.

Your personal attributes include: a keenly defined sense of urgency and attention to detail, mathematical accuracy and a proven track record for meeting or exceeding expectations.

Ideally you possess WHMIS training or TDG training and forklift experience.

If you feel that you can fulfill this challenge, please mail or fax your resume to the attention of:
