CHRISTADELPHIANS**

**THE DECLINE OF CHRISTENDOM**

The history of the Christian Church has proved to be a pattern of confusion and contradiction. A religion clearly established on the principles of Truth taught by Jesus Christ, has proved to be a catalogue of tragedy and folly. Not only have the doctrines and teachings of the Master been changed beyond recognition, but the practices that he set clearly before his disciples can no longer be seen represented in a church system that has so sadly degenerated over the centuries. Today, people are faced with the conflicting arguments over women's ordination, politics and the control of power, and a system that discourages Bible study.

It has slipped a long way from the simple apostolic beliefs in the first century as Jesus taught in the New Testament which was based upon the divine revelation of the Old Testament. Yet the Bible clearly declares that salvation for men and women is only possible upon the basis of their personal understanding, and with a full conviction of its principles. These things are not to be found in the churches. You are encouraged to follow the Master's counsel: "Search the scriptures, for in them ye think (or know) ye have eternal life." (John 5:39).

You are invited to write for a copy of the booklet entitled:

**Helping hands needed**

Denise Charles, co-ordinator of volunteer services for Halton Helping Hands, was at Milton Mall recently recruiting kind-hearted Miltonians. The organization that visits the elderly and physically challenged people and helps them with small tasks needs volunteers. Call 878-6403.
