**BON VOYAGE  
WE HAVE TIPS  
FOR YOU!**

YOU MAY NOT BE AWARE OF WHAT IS AVAILABLE TO YOU FROM OUR CANADIAN GOVERNMENT to assist you in your travel planning. There are SEVERAL BOOKLETS OF INFORMATION you can get, and we have them available for you at our travel offices, so come in and get yours. They are FREE for the asking (a rarity these days!), or by calling Ottawa direct. The more you know, the better prepared you can be, whether just crossing the border into the U.S.A. or going off to Europe or Asia.

**CROSSING THE 49TH** is one we want to tell you about - it is described as 'A Compendium of the Bumps for Canadians Going South'. Going to the U.S. for the purpose of 'remunerative work' without first obtaining the proper authorization is a no-no, and this booklet describes the process, for example. Medical info, U.S. Customs applications, pets travel, Canadian contacts in many major cities for assistance throughout the U.S., are more of the areas of interest in this very informative book.

**MOST TRAVELLERS BOUND FOR THE U.S.** are only going for a short period of time, as in travelling to one of the ports to depart on a CARIBBEAN CRUISE, or connecting perhaps to go through to MEXICO, or further. Or of course the many who travel to FLORIDA, ARIZONA, NEVADA and other points west (HAWAII!) for winter getaways. Then there are those who just go across to the Buffalo/Rochester area for a weekend away, perhaps to Ellicottville for skiing. Or in the summer on a sailboat across Lake Ontario (our favourite way!) This book tells you what the specifications are in bringing items back with you - there is a more open system now, BUT still requirements to meet!

**TIPS FOR CANADIANS TRAVELLING ABROAD** is the other booklet we wish to tell you about at this time. Its title is 'BON VOYAGE, But...', which is also very informative. PASSPORT/VISA info, HEALTH requirements, CURRENCIES, EMBASSY addresses and phone numbers, even CALLS TO CANADA assistance - a sampling of the information compiled for your assistance in countries throughout the world.

**DID YOU KNOW DEPT.** - CANADIANS make more than 90 million trips abroad each year for business and/or pleasure!

**TRAVEL TIP OF THE WEEK:** When travelling to MEXICO, there is no need to change your CANADIAN \$\$\$ into U.S. \$\$\$ before getting your PESOS. They will accept Canadian money at the banks and the rate is as favourable.

The kids take a five-week course that separates them from the environment where they are in trouble, rebuilds their self-image and confidence and gives them a feeling of accomplishment.

Just one of the things that APSGO does is arrange for guest speakers like Mr. Rockliffe. The principle function of the group is self-help, with parents learning from each other on how to deal with their situations at home.
