Milton woman gets royal treatment

By **STEVE LeBLANC**
Special to The Champion

Gail Wallace was given the royal treatment recently at the University of Toronto, where she was presented with a very special award from a member of the royal family.

The 26-year-old Milton resident was among 100 young adults across Ontario to receive the Duke of Edinburgh's Gold Award of Achievement from Prince Philip at U of T's Hart House November 5.

The award is part of the Duke of Edinburgh's Award Young Canadians Challenge, founded by Prince Philip 33 years ago to encourage personal development and community involvement among young people.

Three other Milton residents picked up silver awards; Jennifer Inglis, Barbara Merry and Andrea Poth.

Participants are awarded for attaining personal goals in community service, skills development, physical fitness and expeditions.

"He (Prince Philip) presented all 100 of us with our certificates and pins and asked each of us about one segment of the program," said Ms Wallace, a school-age teacher at the Family Place Childcare Centre in Oakville. She told Prince Philip about her community service efforts with the local chapter of the Boy Scouts of Canada. "I was number 98 so by the time they got to me I was pretty nervous."

"We sang God Save the Queen before the presentations and the national anthem afterwards. There was also a formal reception that followed which was really nice!"

The presentation was a long time in coming for Ms Wallace, who began the

"TURNING MILTON'S NATIONAL DISGRACE" INTO A NATIONAL CELEBRATION OF THE TRIUMPHS OF GOD'S GRACE!

 Ken and Norma Campbell

Friends and neighbours of Ken & Norma Campbell, Milton residents since 1958, are invited to the fourth and final session* of the RENEWAL SEMINAR series.

- this Sunday (Nov. 24) afternoon, 2:30 to 3:30
- in the Hugh Foster Hall, (next to Milton's Town Hall), to hear Ken outline the plans for the Canada-wide

CRUSADE FOR NATIONAL RENEWAL

to which the Campbells were commissioned during last Sunday morning's service, by the Pastor and People of the Park Bible Church, Burlington, (one of CANADA's most dynamic evangelical congregations, "preaching the Cross to the nation from the cross-roads of the nation"), the Campbells' home church since 1990.

(* The Campbells will be in Western Canada in December so the final 2 of what was originally scheduled as a 6-unit seminar series, have been combined in this Sunday's final session.)

Under the crusade motto "MOVING CANADA TOWARD HEAVEN IN 1997", Mr. Campbell will be leading an inter-church, inter-faith crusade "TO REVERSE THE PERVERSE" - TO RESTORE TO APPROPRIATE HONOUR IN PUBLIC SCHOOLING AND PUBLIC POLICY OF THE THEISTIC PRINCIPLES UPON WHICH CANADA IS FOUNDED (Canada's Charter of Rights) and for which principles and values our VETERANS fought and died in this century's two World Wars.

"TURNING MILTON'S NATIONAL DISGRACE"

(the scandalizing of Milton's good name by secular subversives who've put Milton on the map by the depravity of FOXFIRE and all it represents of an ATHEISTIC "death culture" CORRUPTING the morals and manners of our youth in our public schools, and CORRODING the noblest and the finest in the fabric of contemporary Canadianism - the very ideology which destroyed the Soviet Union in this century, and the same Nazi "kill the unwanted" philosophy which Canadian SOLDIERS defeated in the Second World War!)

"INTO A CELEBRATION OF THE TRIUMPHS OF GOD'S GRACE"

- WILL BE THE THEME OF MR. CAMPBELL'S SUNDAY AFTERNOON ADDRESS
- The Campbells' friends and neighbours are invited to this informative and inspiring hour. Refreshments will follow.

EVERYONE is welcomed to this no-charge event!

You are invited to hear "GOOD NEWS AT NOON" - "Ken Campbell's candid Christian comments on today's Canadian headline news" - "an unmuzzled voice for Christ and His Church addressing the truth of the Gospel to the great moral issues of the day, at the population heart of the nation" - CJMR 1320 AM, 12:45 noon daily.
