The New Guy In Town...

Kevin Hughes, recently from oakville, has brought his extensive kitchen and restaurant experience to a local spot with a bit of history.

Main St. Station Tap & Grill combines Kevin's love for great steaks with his affinity for comfortable surroundings. Very reasonable prices, large portions, quick enjoyable service, and an atmosphere that is natural and warm make Main St. Station the place for any occasion. The staff at "The Station" take pride in all the food, and they recommend some of the great specials, such as:

- 2-4-1 burgers on Monday
"Unbelievably huge."
- Steak dinners \$9.95
"A steal."
- Sandwiches
"You'll probably take half home."
- Double seasoned wings
"A treat of a meal."
- Lunch Club
"Buy 5, We'll buy the 6th."

A non-smoking section provides an enjoyable experience for all. Children are welcomed!

Could your teen write an ad like this?

"This letter is to express my thanks. The course I took at the Barrie location 2 years ago saved my life. I avoided a head-on collision because I was taught the "Head-on Collision avoidance" technique. The police stated that without this driving skill I would have been killed or injured. I feel the greatest thanks should go to my instructor Andy, as

it was his voice I heard in my head, telling me to use "Head-on avoidance"! I feel that this course should be law for all new drivers. The life they may save could be their own!"

Young Drivers Graduate
