## Malmsten new CAO at Halton

Halton Region has a new top civil servant.

Barry Malmsten's appointment as chief administrative officer for Halton was announced at Wednesday's council meeting.

Mr. Malmsten was formerly the CAO in Ajax, a municipality in Durham Region east of Toronto. He replaces John Burke who accepted the CAO's position in Ottawa.

Mr. Malmsten previously served as CAO for the Township of Pittsburgh, Ontario after several years with the City of Gloucester.

"Mr. Malmsten comes to us after an extensive search and he is the best we could get for the Region of Halton," said regional chair Joyce Savoline. "He is change oriented, enthusiastic, and has a high energy level. He is a real leader."

## Captured on canvas

Milton artist Mike McConnell shows off some of his sports paintings on display at Saturday's wine and cheese unveiling of "Veronica" at Holy Rosary Parish Hall. It was the first open house for the local painter.

## THE REGIONAL MUNICIPALITY OF HALTON

### PUBLIC INFORMATION CENTRE RECONSTRUCTION OF GUELPH LINE FROM BRITANNIA ROAD TO DERRY ROAD CITY OF BURLINGTON PR-1538

The Regional Municipality of Halton has recently completed the preliminary design phase and is now proceeding with the detailed design of approximately 3.4 km of Guelph Line from 200 m south of Britannia Road to 250 m south of Derry Road in the City of Burlington. The reconstruction is required in order to improve the horizontal and vertical alignment, road drainage, roadway safety, the structural condition of the pavement, and to address slope stabilization concerns.

A Public Information Centre will be held to update any interested parties on design refinements to the approved plan. Members of the public are invited to drop in at their convenience and discuss the study with representatives of the Region and their consultants.

The Public Information Centre will be held:

DATE: Tuesday, December 3, 1996  
TIME: 4:00 p.m. to 8:00 p.m.  
PLACE: St. George's Anglican Church  
Guelph Line north of Derry Road  
Milton, Ontario

Subject to the comments received as a result of this notice, final design drawings and contract documents will be prepared for construction activities tentatively scheduled for 1997.
