## Fires look like work of vandals

Five fires in one day in Georgetown have police and fire investigators seeking information that could identify those responsible.

The first fire was reported on No. 17 Sideroad near Winston Churchill Blvd. A barn containing 200 bales of hay was destroyed at about 2 p.m. Sunday, Nov. 17.

Shortly before the fire was noticed, two teens were seen riding bicycles on the property. Both were described as male, white with short hair. One wore a jacket with black and green stripes.

At 5:40 p.m. the same day three fires were found at the rear of industrial plazas at 55 Sinclair Ave. and 235 Guelph St. Garbage bins, a boat and a mattress were set ablaze.

The last fire was discovered at the rear of Nashville North in the Norval area shortly after midnight. A motor home was destroyed and evidence at the scene suggested the vehicle was broken into.

While such fires may seem minor, they translate into thousands of dollars worth of damage, and all fires pose hazards to firefighters.

Help Crime Stoppers identify those responsible by calling with the names of possible suspects.

If you have any information that leads to an arrest in this or any other case, you may be eligible for a cash reward of up to \$1,000.

You need not give your name and your information will be treated with complete anonymity. Crime Stoppers does not subscribe to call display.

Call 1-800-222-TIPS or 825-TIPS.

Crime Stoppers of Halton is operated by a board of directors made up of 18 civilians from all areas of Halton Region. The reward fund results from the financial support of business, industry, services clubs and private citizens.

The board of directors raises the money, decides on the amount of rewards, and actually pays the rewards. Crime Stoppers is incorporated as a charitable organization, therefore all donations to the reward fund are tax deductible.
