145 General Help Wanted

JOHNSON CONTROLS

The fastest growing division of a Fortune 500 Company is looking to expand their team for their most recent production/manufacturing facility in Milton.

You would be working in a friendly, clean and safe environment assembling complete seat sets for the automotive industry.

Heavy lifting is required therefore, you must be in excellent physical condition. If you are team spirited, possess a minimum grade 12 education and are accustomed to working in a manufacturing environment, you may be the team members we are looking for.

Please forward your resume (hand written is acceptable), including wage expectations to:

Box 2342
 c/o The Independent/Free Press
 211 Armstrong Avenue
 Georgetown, Ontario L7G 4X5

Russel Metals

Our Company is our People and Our People are Our Company

TEAM MEMBERS

Our company is a major North American metals distribution and processing firm with substantial operations throughout Canada and the United States. As a result of continued growth, and to lead us to the next level of opportunity, we are completing our recruiting for our new state of the art operation in Milton.

Ideal candidates will have a post-secondary education, with approximately two years experience working in a metal fabricating / industrial environment. Although experience in working with overhead cranes is an asset, we're looking for people who can prove to us that they're willing to grow and develop as part of a young, aggressive team that is determined to succeed.

These positions require shift work.

If you are seeking an opportunity to join a dynamic company that continually adds value to its employees, Owners, Customers and Suppliers, please fax your resume to:

Russel Metals Inc.
 Fax: (905) 875-3633
 Attention: Mr. Will Wilson

Totalline Communications
710 Dorval Drive, Suite 700
Oakville, Ontario L6K 3V7
Fax: (905) 337-6006

TELECOMMUNICATIONS TECHNICIAN required to service business/residential clients. Experienced in the installation, repair, maintenance and programming of the following systems:

- Meridian Norstar: 3x8, 6x16, 8x24, ICS, Startalk Voice Mail Systems, SL1
- Training would be a definite asset
- Toshiba, Strata Systems, DK Systems
- Panasonic Key Systems
- Tie, Onyx, UAT, Meritor
- VMX Voice Mail Systems
- Nitsuko Voice Mail Systems

Excellent time management and problem solving skills complement this individual's ability to work independently. Class "G" Licence required.

Fax/mail your resume with salary expectations to Human Resources, by Dec. 6, 1996. Only successful applicants with appropriate qualifications will be contacted.

Industrial Electrician
Industrial Millwright

The Industrial Electrician will focus on the selection, installation, troubleshooting and repair of such equipment as motor control centres (starters, breakers) control panels (relays, timers, alarm modules) and PLCs. Familiarity with SCADA, instrumentation and electronics would be a definite asset. **Competition #PP-52**

The Industrial Millwright will focus on the selection, installation, troubleshooting and repair of such equipment as pumps, valves, mechanical drives (gearbox and speed reducers, electric/pneumatic/hydraulic actuators, welding, pipe fitting and rigging. **Competition #PP-51**

Both positions will maintain our water and wastewater facilities and work in a team environment that requires good communication skills with the ability to interpret equipment and systems documentation.

You have completed an approved apprenticeship program and are certified in the respective occupation with the Ministry of Community Colleges and Universities. Computer proficiency would be an asset, as would 3-5 years' practical experience.

Please forward your resume, quoting the appropriate competition # by December 13, 1996, to: **Human Resource Services, Regional Municipality of Halton, 1151 Bronte Road, Oakville, ON L6M 3L1**

We thank all candidates for their interest. However, only those selected for an interview will be contacted.
