

TOYS'R'US

In the Toys "R" Us flyer, distributed the week of Dec. 1st, the Konami NFL Full Contact software will not be available for the Sega Saturn unit. Also the Diablo CD Rom for Windows 95 will only be available in the spring of '97. We apologize for any misunderstanding this may have caused.

They welcome those winter lovers

Crawford Lake is open for the Season of the First Frost Weekends until December 22.

Visitors are invited to hike the many trails and enjoy the displays and exhibits in the Conservation Centre from 10 a.m. to 4 p.m.

The Crawford Lake gift shop has many ideas for Christmas. Children

of all ages are welcome to attend the craft corner where they can make a bird feeder they can take home.

Staff help guide visitors back in time during tours of a reconstructed Iroquoian village, which take place at 12:30 p.m. and 2:30 p.m.

Crawford Lake will also be open

daily from Dec. 26 through Jan. 2 with the exception of Christmas Day. The conservation area is on Guelph Line at Steeles Avenue, five kilometres south of Hwy. 401.

Adult admission is \$3.25 while children 12 years and under and seniors pay \$2.25. For more information call 854-0234.

New home is approved

there are no big issues," she said. "We hope to get approval that a ball diamond and soccer field we built last year will stand up as parkland dedication for the development."

Now that approval has been given the group will begin selling the units. Ground will be broken when three quarters of them have buyers.

In fact the development is a new type of arrangement, where people pay for the right to occupy the units and sell that right when they leave. A non-profit corporation is set up to manage the building.

The seniors' residents will be open to all despite being on property owned by the Catholic church. It is what Mrs. Gleeson describes as a first stage residence, for those seniors who wish to be in smaller homes but do not require any additional help in the setting the building will provide. A second stage facility is one where people require some help in maintaining the home and Allendale would be an example of a third stage facility, where residents need care around the clock.

If enough right to occupy agreements are sold building could commence in the spring, said Mrs. Gleeson.

Realtors help the homeless

Local realtors showed their warmth recently by donating a truckload of winter clothing for the homeless in support of the Hunger Patrol.

"It's hard to imagine what it must be like out there in January and February," said Yvonne Ratigan, president of the Oakville, Milton and District Real Estate Board. "Initially we were collecting hats and gloves, but our expectations were surpassed as we received ski jackets, coats and sweaters."

Donations to the cause can be dropped off at the board office located at 125 Navy St. in Oakville.
