Liz Johnson won third prize for her recipe, Apple Bread, in the recent Fleischmann's Yeast Bread Bake-Off.

## Some dough for tasty bread

Liz Johnson's apple bread won her third prize in the Fleischmann's Yeast Bread Bake-Off at the recent Royal Agricultural Winter Fair.

Ms Johnson of Milton was one of five finalists in the contest, entered by close to 80 people.

In search of simple and flavourful bread recipes, Fleischmann's Yeast and the Toronto Sun invited bread-baking enthusiasts to enter their favorite recipes in a contest that culminated last month during a live judging session at the winter fair.

All finalists attended the event and watched in anticipation as the judges sampled their recipes and evalu-

ated them based on the visual appeal of the bread, the texture, taste and ease of preparation.

Ms Johnson was awarded a \$50 gift certificate from the Cookbook Store in Toronto and a gift basket filled with Fleischmann's Yeast baking goodies.

The supply teacher said her apple bread is an adaptation of a recipe given to her by a girlfriend. Her recipe is so popular, co-workers often request she make it, Ms Johnson said.
