## Load it up, ship it out

Milton District High School students put the finishing touches on their 21st annual Christmas food drive this past week, loading up donations that will feed the community's less fortunate over the holiday season. Here (from left), Tom Warren, Cam Turner, Sachiko Hanayama (Japanese exchange student) and Sriram Devamanoharan fill up some of the 270 food boxes that will be distributed to various groups and organizations. The Williams Avenue high school also prepared 300 smaller packages for Allendale.
