Thanks for a great holiday season!

With the 1996 holiday season behind us, the merchants of the Downtown business association would like to take the opportunity to thank Milton for another great year.

For the second year in a row, our FREE photos with Santa Claus program was a great success. This was paid for entirely by the businesses of Downtown Milton and is just one of our ways of saying THANK YOU MILTON!

In addition, the great generosity of Miltonians, the Downtown businesses, and more specifically Nature's Fire, we were able to collect many toys to help needy families in our community.

Best wishes to your family from ours in 1997!!

WELCOME!

We at the Milton Downtown Business Improvement Area and its member businesses would like to welcome our new Village Constable Gary Collins. We look forward to working with you.

Best wishes to Constable James Barnes. Thank you for your many contributions.
