Ski hill bound

Milton's Aldo Fratarcangelj gives the thumbs up to the prize of ski equipment and a pass for Glen Eden he won in a fundraising raffle for the Milton Springers gymnastics club. Spokes 'N' Slopes donated the equipment, which along with the ski pass, is valued at more than \$1,000.

Do you need my help?

In the mail box, on the tube, on the radio, everywhere it seems - there's another pitch for your RSP dollars. You already know how important your retirement savings will be to you. Especially with all the uncertainty surrounding the future of the Canada Pension Plan and Seniors Benefits. And considering the projections that people may now expect to outlive their retirement savings. Are you confused about investment returns?

A SPECIAL OFFER

I would like to offer my help in your search for an investment that suits you. Although banks and trust companies offer all sorts of savings accounts, GICs, mutual funds etc., there are relatively few people in the industry who can give you unbiased advice. Frankly most service people at this time of year do not have the time to spend with you to nail down exactly what your needs are and to tailor investments and retirement plans just for you.

COMPARE BEFORE YOU BUY

As an independent financial planner, I study all sorts of investment products and assess their suitability for my clients - people from all walks of life, each with very different circumstances. I truly believe that, by allowing me to advise you on the right investment for you, you can only benefit from my advice and guidance now and after retirement. I would be glad to discuss all your RRSP choices. Any discussions will, of course, be completely confidential.

Please call me at (905) 875-3237 to arrange an appointment.
