1997 - LOTS MORE CHANGES IN TRAVEL!

ELECTRONIC TICKETING, MORE INFORMATION THAN EVER via INTERNET, E-MAIL, more and different marketing techniques than ever - the traveller, both for leisure and business have never had it so good. The opportunity for more knowledge and choice is there more than ever. And it will likely get better, but there will be an expense to it all in the end. Who knows who will pay a price - but meanwhile EVERYBODY SHOULD GO AND DO AND BE - YOU NEVER HAD IT SO GOOD IN THE AIR IN CANADA!

CANADIAN AIRLINES INTERNATIONAL, as long as they are around will help keep the fares at a suitable level for all travel. (Wonder what the costs to travel in Canada would be if there was only one National Carrier, ???) Along with the charters and the discount carriers, there is a great opportunity for you, the person needing a flight, to travel at a pretty good rate, and at most times of the year. True, the business traveller who needs flexibility in his travel role doesn't get as much advantage, as does Joe and Jane Citizen who can travel at a fixed time.

AS FOR VACATIONERS, almost the same exists if you want to go to Florida or into the Caribbean to a resort, or go on a cruise. There is so much competition for the vacation/cruise dollar, that the costs have been kept down pretty good. Then there are last minute decision-makers who can go at the drop of a hat and can take advantage of a last minute sell-off which may be show up, and is available at most travel agencies. **BOOKING IN ADVANCE IS STILL YOUR BEST BET** though, to get to go where YOU CHOOSE!

CAN YOU BELIEVE IT HAS BEEN 25 YEARS since WALT DISNEY WORLD opened in Florida? And think of all the additions there have been since. It has become the #1 goal for Canadians, especially those with young children, to go there at least once. (Many, may go back year after year - staying on site and living the life!) We had visited Disneyland in California before there was the location in Florida and so had a taste of it back in the 60s. Magic Kingdom Park was the original spot at the location just outside Orlando, and with all the many new sites, **THIS IS THE YEAR TO GO TO DISNEY WORLD** to join in the quarter Century celebration.

DID YOU KNOW DEPT.: The 1997 WALL AND POCKET CALENDARS were very well received again this year at our travel offices. There are still a few remaining if you didn't get yours, but hurry in!

TRAVEL TIP OF THE WEEK: When you travel, expect the unexpected, then you'll be prepared for anything!
