Heartbreaker as Trickers tire in third

The Halton Lift Truck minor atom AA Winterhawks were able to stave off a late comeback against Waterloo in the finals of their Beaver Tournament, but couldn't do likewise last weekend at the Newmarket Showcase.

Milton went ahead 2-0 in the championship tilt against Copper Cliff Redmen, but simply ran out of gas in the second. This allowed their opponents to cut that lead in half through the middle frame and jump out in front with a pair of third-period markers.

Daniel Lynch and captain Mattie Reed

sank goals in the 3-2 loss, which followed an exciting semifinal victory and perfect round-robin performance by the multi-talented 'Hawks.

Backstopping the pack were Corey Clarkson and Robert Smith, who combined for an outstanding 1.2 goals-against average over five games.

The Clarington Toros were the first to fall prey to Milton in a hard-fought 2-1 decision. Reed wasted no time putting his crew ahead with a goal inside the opening minute, while Lynch padded the lead midway through the first.

The Toros answered back seconds later but couldn't penetrate a strong defensive web — anchored by Mark Galick and Robbie Wilson — for any more goals.

Milton next took out their wrath on help-

less Pickering, who were toppled 9-2. Lynch led the charge with a hat-trick, with Jamie Webb picking up a pair. The Lift Truck squad unloaded with five third-period goals to bury Pickering.

Singles came from Evan Burrell, Justin Deshaw, Nathan Keith and Kyle Strong, with Seth Ferguson, Matt Lenardon and David Tielemans earning assists.

The 'Hawks were running out of steam by the third match, but claimed an easy 3-0 win over the Peterborough Nationals. Clarkson and Smith combined for the shutout with goals scored by Keith, Lenardon and Webb.

Reed played hero in Milton's 1-0 semifinal triumph over the Aurora Tigers, tucking in Lenardon's blueline shot at 3:22 of overtime.

Three locals qualify for York track meet

A total of 22 Athletiques International Track and Field Club members successfully qualified for the February 1 Royal Canadian Legion Indoor Meet at York University, with three locals making up part of the contingent.

Twelve-year-old Jaymes Beatty will be competing in the 14-and-under boys 50-metre dash, as well as the 200m run and long jump.

In the 14-and-under girls division, 12-year-old Melissa Logue will be contesting the 800m. Fifteen-year-old Carrie-Ann Nichols meanwhile, will run the 800m as well in the 16-and-under girls loop.

The local club trains Wednesday evenings at Milton District High School from 6 to 7 p.m. and at several out-of-town locations on other days. For more information about winter training or the club in general, call Bruce Burton at 827-TRAK (8725).

Club wants new members

• from PLAYERS on page 19

invited to see these improvements later this month when the club hosts a special open house. The Friday, Jan. 24 social will be held between 7 and 10 p.m., with demonstrations available for interested newcomers and refreshments for all.

"The social aspect of squash is perhaps the best part of it. It's a great excuse to get away from the wife once a week," joked treasurer Tom Boer.

That may not necessarily be the case for long, as Martin and company are hoping to attract more women to the club. At present there are only two. "We're also looking to add more young members, perhaps by starting a program with the local high schools. This would help create a new base for long-term members," he said.

Squash, he said, provides both a great workout and exciting competition. Club

competition features a "friendly fives ladder" in which players vie for supremacy in their own loop and can move up the ranks throughout the season, which runs from November 1 to September 30.

Memberships are \$300 per season or \$90 per quarter. Pay as you play privileges cost \$9 for each visit.

"We're hoping to rebuild the club as much as possible. A few weeks ago I would have thought getting 50 members for next season would be out of reach, but with the recent influx I'd say that's now a definite possibility," Martin said.

For more information on the Milton Optimist Centre Squash Club, call Herb Martin at 878-5686.

If planning to attend the January 24 open house, please RSVP to either Richard Gowens (876-4584) or Peter Sneyd (875-1896).
