Johnson Controls is a leading North American manufacturer of Automotive seating located in Milton. Achieving outstanding excellence in the areas of health and safety, employee involvement and quality, we pride ourselves in all aspects of team work. Our strength in our team concepts and philosophy enables us to continue to improve and exceed our customer expectations.

OCCUPATIONAL HEALTH AND SAFETY COORDINATOR

Reporting to the H.R. Manager, your functions would include: development and implementation of workplace specific/general H&S policies & procedures; organizing plant wide training programs; maintaining training data base; coordinating emergency response plans; managing the MSDS program; QS9000 documentation control; participating in H&S committee meetings; performing workplace inspections and subsequent follow-ups; generating monthly and yearly statistic reports; performing videography for the development of Health and Safety training; WCB claims management; making recommendations in regards to the health and safety of team members and overseeing the first aid, physiotherapy, pre-employment medical and modified work programs.

This position is very hands on and requires someone who has exceptional interpersonal skills, takes the initiative and works well independently. You must have a related degree in Occupational Health and/or Registered Nursing coupled with a minimum of 3.5 years experience in a manufacturing environment. Strong PC skills (spreadsheet and word processing) and communications skills are required.

We offer a competitive salary and comprehensive benefits. Please forward your resume stating your salary requirements in confidence to:
