Rob's Dream

Hello my name is Rob Heft and I am a twenty-four year old individual looking to make a long term commitment to any person or persons willing to believe in the goal I am striving for. This goal includes giving back to the community, but more importantly, returning the faith, which has been missing for a great part of my life.

With the second week completed, Gen-X Hockey successfully delivered competitive, zero-tolerance hockey that offered players an escape from everyday life. Players such as Roy Jones, Corey Howitt, Paul Peruzzi and Mike "Alright" Bickers lit up the score sheet (with one seven point game by Roy Jones). The goaltending has been excellent, lead by stellar save percentage leader Rob Newton although Chris Cheevers, Dan Fiorita and Simon Prince have all been outstanding between the pipes. It appears that all the players are excited and are enjoying themselves on the ice due to the average of 3.8 minutes in minor penalties a game.

We have yet to see our first fight and ideally as our zero tolerance league policy dictates we will not see any.

More importantly a special thanks to all '96 players who, to some degree, must have believed in me, enabling me to turn my life in the right direction. The financial support of the owners of the Waltzing Weasel, Hardball, Wallace Pontiac, Hardball Southside, Bargain Tire & Knuckles made this league more than a pick-up league, they've given Gen-X Hockey hope and a bright future.

Sincerely, Rob Heft
