Jazz fest coming up

Jazz from the '20s will be featured in a show hosted by Milton Concert Productions in late February.

The Friday, Feb. 28 concert will see Bill Westcott on piano, Kenny Kirkwood on saxophone, Michael Morse on bass and Ian Copeland on drums.

Selections from blues, boogies and swing from the '30s, '40s and '50s, including music by Cole Porter and George Gershwin, will be performed.

The concert will be held at Milton Alliance Church on Derry Road at 8 p.m.

Admission costs \$20, or \$15 for seniors and students. Tickets can be purchased at the door or be reserved by calling Blanche at 878-4604 or Caroline at 878-4427.

If the shoe fits ...

A recent snowshoe hike at Crawford Lake Conservation Area saw nine-year-old Courtney Walpole (above) and mom Judy (above) venture out to enjoy a sunny winter day. About 20 people took part. The hike, which ended in a campfire and marshmallow roast, will be held once again this Sunday (Feb. 16).

SCHEDULE C CLASS ENVIRONMENTAL ASSESSMENT STUDY NIPISSING ROAD TRAFFIC STUDY NOTICE OF COMPLETION

The recommended solution to deal with a realignment of Nipissing Road to accommodate future traffic related to the planned expansion of the Milton Mall and the redevelopment of lands along Nipissing Road east of the Mall was approved by Town of Milton Council on February 3, 1997.

The Nipissing Road Traffic Study has indicated that a realignment of Nipissing Road southwesterly to ultimately connect to Ontario St. S. via the present Child's Drive alignment is the preferred alternative. The evaluation of alternatives was based on present and future traffic volumes in relation to social/cultural and economic factors.

Council's recommendation also endorsed an interim solution where Nipissing Road would "T" into Child's Drive. No timetable has been established for the start of construction.

The Town of Milton is planning this project under Schedule C in accordance with the Class Environmental Assessment for Municipal Road Projects. The Nipissing Road Traffic Study has been completed and by this Notice is being placed in the public record for review.

The Nipissing Road Traffic Study is available for review at the following locations:

- Town Hall - Planning and Dev. Counter 43 Brown St. Milton 878-7211
- Milton Central Library 45 Bruce St. Milton 875-2665

Interested persons may provide written comment to the Town Clerk, within 30 calendar days from the date of this Notice. If concerns regarding this project cannot be resolved in discussion with the municipality, a person may request that the Minister of Environment & Energy "bump-up" this project to an individual environmental assessment. "Bump-up" requests must be received by the Minister at the following address within 30 calendar days of this Notice:

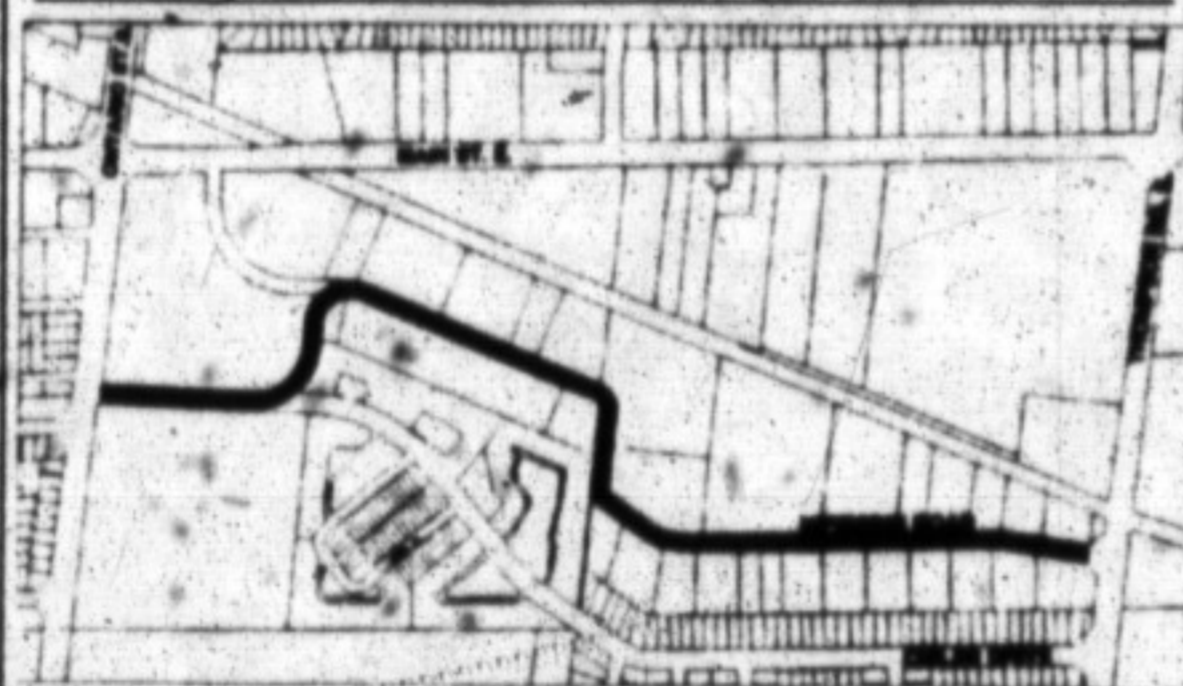

Hon. Norm Sterling, Minister of Environment & Energy 135 St. Clair Ave. 15th Floor, Toronto, Ont. M4V 1P5

A copy of the "bump-up" request shall be sent to the Director of Planning and Development for the Town of Milton. If there is no "bump-up" request received by the 13th March, 1997, the Nipissing Road Realignment will proceed as outlined in the Nipissing Road Traffic Study.

Further information may be obtained from: E. Iovio, MCIP, RPP
 Director of Planning and Development, Town of Milton 1-905-878-7211

This Notice issued February 11, 1997.
