## NORTH SHORE GARDENS

Burlington's finest waterfront community of bungalow & two-storey townhomes.

**N**orth Shore Gardens... where there's nothing between you and the bay but the trees.

Drive past the stately entrance to North Shore Gardens, a sophisticated new townhome enclave nestled by the shores of Lake Ontario, and discover a secluded bower of leafy trees and beautiful architecture.

Flanked by mature residential neighbourhoods on either side, North Shore Gardens blends the convenience of a central location with the tranquility of the country.

Stroll past the Royal Botanical Gardens and along the scenic path curving along the shore while you try to decide... will it be a cozy bungalow or a two-storey townhome? Both are so beautifully appointed, it's hard to choose!

Whatever your preference, you'll find quality in every corner of every North Shore Gardens home.
