The John Deere
PROMISE
 Buy a John Deere lawn mower, riding mower, lawn tractor, lawn and garden tractor or residential front mower and, for whatever reason, if you aren't satisfied, **JUST RETURN IT WITHIN 30 DAYS.** We'll repair it, replace it or give you a full refund!

Chris's Lawn Care Tip
THE 1/3 RULE
 No more than one-third of the grass blade should cut at one time. This promotes a deeper, thicker growing root system so your lawn can easily find needed nutrients and moisture. A thicker and more lush lawn not only looks great but also helps reduce attacks from weeds and diseases.
