Household Hints

You'll save money AND calories if you keep cooking oil in a pump type spray container and spray just a little oil in a pan to keep food from sticking.

You can restore some color to old, faded blue jeans by washing them with NEW jeans that are going to "bleed".

Piecrust will be flakier if you add a tablespoon of corn starch for each cup of flour.

The same fabric softener that makes towels softer and keeps socks from clinging is a perfect "conditioner" for your synthetic wig. Works better than conditioners designed for human hair—and costs a lot less.

Keep wax paper, aluminum foil, and such handy in a cardboard "six pack" holder underneath the sink.

 WANTED—Small farm: This is an advertisement intended to reach a specific individual who, like myself, tries to eliminate pressures and timelines. I understand that selling country property can take time and pressure and to avoid this would you consider the following. Might you give some thought to renting your farm with a firm commitment from the renter to purchase in two years? I am looking for a small farm with a cottage or small traditional farmhouse, barn, paddocks and some land. I do not wish to buy at the moment but want to rent knowing that the work I do will be toward my future investment. The farm should be in the Campbellville area. Since this is a serious proposal on my part, I will give careful consideration to all contacts I receive. Please reply to Box Number 1122, c/o The Canadian Champion, 191 Main St., Milton, L9T 4N9.

IN THE MATTER OF THE ONTARIO HERITAGE ACT, R.S.O. 1980, Chapter 337; AND IN THE MATTER OF THE lands and premises at the following Municipal Address in the Town of Milton in the Province of Ontario.

NOTICE OF PASSING OF BY-LAW
 TAKE NOTICE THAT the Council of the Corporation of The Town of Milton has Passed By-law No. 44-84 to designate the following property as being of architectural and historical value under Part IV of The Ontario Heritage Act, R.S.O. 1980, Chapter 337.

Address of Property: 5676 Highway 25, Town of Milton

Reason for Proposed Designation:
 This building, based on the Georgian style of Architecture, is a large, two-storey square plan house with double thick brick walls made of handpressed red brick; its design was very popular with traditional homes in the mid 19th century.

The Crown registered this property under its name in 1827. Levi Wilson became the owner of the property in 1850. It should be noted that Mr. Wilson was the first Sheriff of the District of Halton and may have kept prisoners in the basement of the house.

DATED AT MILTON this 25th day of July, 1984.
