Cab fare resulted in charge

An argument over a cab fare and a subsequent confrontation with police in a variety store has resulted in an assault charge and further charges of possession of a dangerous weapon and carrying a concealed weapon against a 28-year-old Milton man.

Halton Regional Police report the incident began at approximately 11.30 p.m. last Wednesday when Milton Blue Cab Taxi driver Francis Collane 26, picked up a fare on Main St.

Police said he drove a male party to a 64 Bronte St. address where the man then argued over the cab fare.

The two went into the home of the male party where Mr. Collane telephoned his dispatcher. Minutes later the man began punching the taxi driver, according to police.

The fight continued outside of the home into the parking lot until it was finally broken up by a second cab driver who arrived on the scene.

Police arrived in time to see the accused run from the house and jump over a fence at the rear of the property.

Facing the three charges is Wayne Deacon of 64 Bronte St.

Case solved

Diligent police work on the part of a Milton police officer has resulted in the apprehension of two juveniles in connection with a vandalism spree at the Pontiac Buick dealership of Murray Wilson ten days ago.

Damage was estimated at \$6,000 after the suspects smashed headlights and windshields on 11 vehicles late Sunday night, Aug. 26.
