# Thruway, Rad Stop lead MFL semi-finals

Rad Stop and Thruway Muffler each benefited from strong pitching performances en route to opening-game wins in their respective semi-final playoff series in Milton Fastball League action last week.

Rad Stop's Mike Cullen threw five perfect innings and allowed just four hits in leading his club to a 3-1 win over McDuffe Equipment. In the other semi-final, Thruway's Chris Peavoy surprised league-leading Sandstone Transport with a three-hit shut-out as Thruway dumped Sandstone 2-0 in a series featuring the defending co-champions from last year.

The best-of-five series continued last night (Tuesday) and Thursday with additional games played next Tuesday and Thursday, if necessary. Remax Realty was eliminated in the preliminary round two games to none by Thruway.

Rad Stop broke open a scoreless contest in the third inning with a pair of runs. After a single by Ed Loeprich and a walk to Kevin Smith, Bob (Boom-Boom) Baker cashed both with a double.

McDuffe narrowed the gap to a single run with back-to-back singles by Lee McPhail and Charlie Fraser and a fielder's choice by Peter McDuffe. Baker's second RBI-double in the fifth inning drove home Paul McCann with Rad Stop's third run and Cullen checked McDuffe Equipment the rest of the way without a hit.

Meanwhile, Thruway's Chris Peavoy allowed just three hits and pitched out of a potentially dangerous bases-loaded two-out jam in the fourth inning in registering the shutout.

Jake Doering's RBI single in the fifth driving home Bruce Chinnery, and Dave Del Papa's single in the sixth which cashed Ray Evans were all the support Peavoy needed.

McDuffe narrowed the gap to a single run with back-to-back singles by Lee McPhail and Charlie Fraser and a fielder's choice by Peter McDuffe. Baker's second RBI-double in the fifth inning drove home Paul McCann with Rad Stop's third run and Cullen checked McDuffe Equipment the rest of the way without a hit.

Meanwhile, Thruway's Chris Peavoy allowed just three hits and pitched out of a potentially dangerous bases-loaded two-out jam in the fourth inning in registering the shutout.

Jake Doering's RBI single in the fifth driving home Bruce Chinnery, and Dave Del Papa's single in the sixth which cashed Ray Evans were all the support Peavoy needed.

Minor Baseball Ladies Auxiliary

# Support a key to our success

Prior to winding up the 1984 Minor Baseball season, the members of the board of Milton Minor Baseball Association Ladies Auxiliary would like to take this opportunity to thank all for their support this past season and also to update you on the various activities and achievements met this season.

As most are aware, our major source of revenue is the operation of the snack bar concession at Rotary Park. Thanks to the diligent assistance of team moms, we encountered less locked doors and "no-help" signs this year than in previous years. (A special thank you team moms for your efforts).

The snack bar, in addition to being our major source of revenue, is also the focal point of all activities for Milton Minor Baseball. It is therefore essential for all parents to give their time to this task if we wish to continue to have this facility available to us. Please bear in mind that if we all give a few hours of our time to this facility, we could easily achieve an excellent open-door record and relieve some of the burden on those who put forth more than their share of hours in this capacity.

Bleachers in Bronte Meadows and upgrading of all diamonds are only a couple of perhaps the most obvious improvements that were carried out this year. The Ladies Auxiliary in the near future will plan prospective improvements for next year and welcome any suggestions from parents.

Our final fund-raising event for this year is our annual draw. There are still a number of draw tickets outstanding and we would appreciate your co-operation in making sure that your child has returned all tickets accordingly. This is very important as we must account for all tickets either sold or otherwise. The draw will take place at the Annual Dance to be held at the Optimist Centre Sept. 29. Tickets for the dance are available from coaches or from Mike Vickery (878-8638).

Our annual General Meeting will be held Sept. 22, at 10 a.m. at Milton Sports Centre. Any persons wishing to stand for election to the Board should attend this meeting. There are vacancies again this year and to meet all future endeavours, willing hands and minds are required. Whether you are interested in joining our Board or are merely curious of our events, it would be to your child's benefit and that of the entire organization to make an effort to attend this meeting thus expressing an interest in our association. Remember there is nothing more rewarding to a volunteer than to feel self-satisfaction in his or her deeds which is attained through awareness. Your awareness as parents either through criticism or otherwise, can be portrayed by as many of you as possible attending the meeting.

# Sharing nature a priority

The Federation of Ontario Naturalists is sharing in the thoughts of many other people in Ontario. We think that some knowledge of the natural world should be part of every child's education and we think that our educators are doing a fine job of teaching children about outdoor life, but we also think that they should get more than what is taught in textbooks.

By giving children the opportunity to absorb nature we acquaint them with the sense that life exists even in the lowest form of animal and the smallest part of a plant.

Most of the boys are away on vacation or just back so until after our next meeting their success or failure will have to wait until I see them.

Primo Rigo, Alex Pennick, Joe Marshall and Ron Marshall, Ted Moore and some of the lads from the club under the supervision of Bud Chester and Delmar Coulson have been getting their moose hunting camp in order for the moose in October.

I have had the pleasure of being a guest at this camp in Temagami and it is one of the better run camps. Good companionship, good cooks, good fish and sometimes plenty of wildlife and oh yes, and a few black flies and mosquitoes but what camp does not have these pests.

Big plans are still underway for the Zone 6 Convention to be held at the club's property on Steeles Ave. As we have mentioned before this event takes place on October 14-16 and it entails an enormous amount of work.

Most everyone in the Milton and the Milton Heights district knows Peter Thomas and his good wife Mildred. My wife Mary and I had the pleasure of spending a few days with this ardent outdoorsman, conservationist, a man that truly loves the great outdoors.

Peter busies himself in their home in

# fish & game news

with ARN COULSON

Matachewan growing a lovely garden, fishing, berry picking and last but not least moose hunting. Millie busies herself by baking delicious blueberry, apple and rhubarb pies for nearby fishing camps.

Everyone up there in Matachewan seems to love this couple who do so much for their neighbours, etc. They spend most of the time up there from early June to October. Peter is retired from Milton District Hospital. May the powers be good to this fine couple and let them enjoy their retreat for years to come.

Here is a poem that emphasizes my thinking for some time and have mentioned it in my column many times.

Give Him a Day  
What shall you give to one small boy?  
A glamorous game, a tinselled toy,  
A boy scout knife, a puzzle pack,  
A picture book, a real live pet,  
No, there's plenty of time for such things yet.  
Give him a day for his very own,  
Just one small boy and his Dad alone,  
A walk in the woods, a romp in the park  
A fishing trip, from dawn to dark.

Give him a gift that only you can,  
The companionship of his old man,  
Games are outgrown and toys decay,  
But he'll never forget for you,  
Give him a day.

# This week

# Rep tryouts starting

Players interested in playing rep hockey with any of Milton Minor Hockey's rep teams are encouraged to attend their appropriate team's tryouts this week.

All players must attend the tryouts of the teams of their own age group. After the first two practices, coaches of the teams above can approach and invite players to the older teams.

The following is a list of the times for the first week of practices (all tryouts are held at Memorial Arena on Thompson Road):

- Novice: Saturday 3 p.m.; Sunday noon.
- Minor Atom: Saturday 4 p.m.; Sunday 1 p.m.
- Major Atom: Saturday 5 p.m.; Sunday 2 p.m.
- Minor Peeewe: Saturday 6 p.m.; Sunday 3 p.m.
- Major Peeewe: Saturday 7 p.m.; Sunday 4 p.m.
- Minor Bantam: Saturday 8 p.m.; Sunday 5 p.m.
- Major Bantam: Saturday 9:30 p.m.; Sunday 6:30 p.m.
- Minor Midget: Thursday 8:15 p.m.; Sunday 8 p.m.
- Major Midget: Wednesday 8:15 p.m.; Sunday 9:30 p.m.
- Juvenile: Monday Sept. 10 9 p.m.

- Any questions concerning tryout times can be answered by calling MMHA at 878-8340. Players intending to play with the single-A rep teams (formerly Tier Two) are advised to attend the tryouts of the double-A teams. Single-A team tryouts will be held in about three weeks. There is no charge for tryouts.

Now \$6,970.

The factory said all the 1984 Renault Alliance and Encore models had to go. So we bought them all at incredibly low prices. And we're passing on the savings to you. Of course, you still get Renault's European technology. Electronic fuel injection for better mileage. And front wheel drive.

Plus torsion bar suspension. Rack and pinion steering that makes handling a breeze. And pedestal seats with comfort for five. But now you get it all for less.

1984 Renault Alliance and Renault Encore. At only \$6,970, they're going. Fast.
