Arthritis appeal starts

This community has been involved and supportive of the Arthritis Society for many years.

It is estimated some 3,000 to 4,000 Miltonians are affected with Arthritis in one form or another. September is declared "Arthritis Month" annually with a fund raising door-to-door campaign, usually during the second week of September.

The Chairperson of this campaign the last two years has been Audrea Lear-Costigan. In 1983 just over \$8,000 was raised by about 125 volunteers, truly a community effort. Many of the Service Clubs get involved each year, plus a commercial campaign is conducted among all the local businesses which has been handled by Barny Henderson for many years.
