

Wolverines in playoffs

Both the junior and senior Wolverine girls basketball teams have advanced to the quarter finals. Their last league games before playoffs were last Tuesday against E.C. Drury.

The seniors were in a win-or-nothing position. If they had lost the game to Drury then they'd be out. Milton played well under pressure and defeated Drury 42-26. Top point scorer for MDHS was Corinne Kollmann with 11 points. The game started out close, at the first quarter the score was 7-7. However, Milton continued to pull ahead throughout the game.

The juniors also beat Drury, in a laughter 61-14. Milton started well in the beginning and just continued to cream Drury.

The teams' quarter-final games will be held tonight at Queen Elizabeth High School.

MDHS sports

with **ANDREA POWELL**

This is a first for MDHS in having a senior girls basketball team in the playoffs.

The junior football team, in their sudden-death playoff action, lost last Wednesday. They played a strong first half leading 7-0. Somehow, between then and the end of the game they allowed Drury to catch up and beat them, 26-7.

Over the weekend, the senior girls basketball team travelled to Stayner, two hours outside of Milton, to participate in a tournament. The team excelled and were the consolation winners.

After beating their first opponents, Stayner, and going on right away to play Collingwood, they entered the championship game against Grey Highland. The Grey Highland team was aggressive, and defeated Milton by 10 points.

Although Milton lost the final game, they should be proud of their accomplishments because all teams at the tournament were good.

Kim Hamilton was named the most valuable Milton player in the championship game.
