SAVE FOR A HOME WITH A MUTUAL LIFE RHOSP

There is no fee or charge when you buy a Mutual Life RHOSP. All your money starts working for you immediately. It grows at a high rate of interest, and while the rate may fluctuate, it will be competitive with current interest rates. Contributions are tax deductible, and both your contributions and the interest they earn are tax free if they're used to purchase a home. Before you buy an RHOSP or make another contribution to one you already own, look at Mutual Life's RHOSP.
