

Brown's hat trick fires Farmers to win

Milton's Sargent Farms minor midgets are playing close to the level of demanding physical hockey that coach Harry Wiczaryk required of them and it's been showing in their recent successes.

Last week Milton made a strong showing in tournament play at Detroit, winning five games before losing the championship to Trenton, Michigan.

In league play Milton turned in two fairly solid performances over the weekend, beating Flamboro 7-3 Saturday and regrouping to beat Oakville 3-1 Sunday.

Sunday proved to be more of a battle for Milton. Oakville drew first blood and Milton could manage only by a tie by the end of the second period. Oakville is not regarded as a strong team by Milton coaches, but they seem to gear up for games against Milton. Sunday they hustled up and down the ice surface like they were answering fire calls.

Danny Brown

"They want us bad," Farmer coach Harry Wiczaryk admitted. "We've beaten them like this (come from behind) before. We were being hit good in the first period but in the third we started hitting. We developed a little intensity," he added with a small smile.

Saturday Milton slammed Flamboro 7-3 with Dan Brown earning a hat trick. Brown, an aggressive but heads-up defenceman, was a pivotal playmaker in the contest.

In other recent action, Milton defeated Chinguacousy. In that game Wayne Rivers, Robbie Wilson and Scott Hilson had two goals each. Jason Pascoe and Travis Cole scored singles.

In addition to Brown's hat trick against Flamboro, Cole, Scott Ellwood, Doug Drennan and Rivers scored.

Rivers scored a pair of goals against Oakville and Drennan added the other marker.

Docs & Dents delivering climb back into first

Milton minor atom Docs & Dents climbed back into at least a share of first place recording two league wins and one exhibition victory this past week.

Goalie Kevin Gale recorded two league victories while Jeff Currie shut out Kitchener in exhibition play.

In Burlington on Friday night Jason Cole opened the scoring with just over three minutes gone in the first. Fourteen seconds later, Joey Pedulla scored his first of two on the night.

Pedulla then capped Milton's scoring with a power-play goal with just over a minute to go in the first. Assisting on Cole's goal were Randy Symmers and Chad Webster. Jeff McKenzie and Darryl Finley assisted on Pedulla's scores.

Burlington fought back and scored one in each of the second and third periods. Milton held on and the final score was 3-2 for the Medics.

The game in Kitchener was the rematch of an earlier exhibition game, in which Kitchener beat the Medics 4-2. This day was to be different.

After a scoreless first period, McKenzie gave Milton a 1-0 lead with just over a minute to play in the second, converting a shot from the point from Sonny Cardillo. David Marshall scored two in the third with assists going to Matthew Downs, Craig

Rep AA hockey

Burns and Ryan Schaffer. This was one of the best games the team has played all year and set the stage for Sunday's contest with Orangeville.

Medics were well prepared by coach Tom Sargent as they took to the ice to face the only team to defeat them in league play. The result was a 6-2 Medic victory that should give Milton at least a share of first place. Michael Rush led the way with two goals with singles going to Rick Warren, Schaffer, McKenzie and Marshall. In addition to his goal, Marshall assisted on two others with singles going to Schaffer and Warren.

Haydar scores for Sockets forwards move back

Milton novice Sockets had a light schedule this week—they played only one game—but they made sure that game entered the plus column as they defeated Flamboro 1-0 in Tri-County action Sunday.

Ryan Haydar scored the Milton marker, assisted by Kevin Nascimben and Jeff Haydar. Dan Luoma and Jason Atkinson shared the netminding duties, earning the shutout.

Socket coach Jeff Cookson moved Ron Flannagan and Blair Kitchen back from the forward line to defence, and he reported that both players performed well as backliners.

Milton swings into action again over the holiday week, travelling to Hespeler to take part in the Little Olympics.

Silver too slippery Movers out in semi

Scannell Movers major peewees' hockey week ended Saturday against the highly touted Newmarket squad in the semi-final of the Owen Sound Silver Stick regional championship. But Milton lost by less than one goal.

The Movers were eliminated because Newmarket had a greater goal spread in previous games.

Each of the AA rep teams had easily handled the Owen Sound A squad in previous competition, setting the stage for the showdown.

In the early going, Movers took the play to the opposition. James Green, who netted two Milton goals, lined one in following a pass from Derek Johnston. Green scored again to break a 1-1 stalemate, assisted by Johnston and Jupp.

Rory McLean scored the other Milton goal with assists credited to hard-digging Paul Carles and John Bacon.

Jeff Larsen snuffed Owen Sound attacks effectively as he patrolled the posts at the other end of the ice, and Milton's defence turned in good two-way performances, aided by disciplined positional play from the wingers.

From five minutes remaining until the end of the game Milton hemmed Owen Sound into their defensive zone but they couldn't get a telling shot on net.

The Friday night 8-3 win against Owen Sound's A team was shared by all, with eight members of the squad scoring.

Green, Yamashita, Johnston, Jupp, Bain, Fowler, McLean and Bacon scored.

Thursday night at Memorial Arena, the team looked poised and confident rebounding from an 11-3 loss to Burlington the previous night to defeat Flamboro 2-1. Earlier in the season Movers were drubbed

10-1 by the powerful Flamboro squad.

Rory McLean opened the scoring for Milton, benefitting from sharp playmaking on the part of Carles and Bacon.

In the final frame, Milton's Darren Delorey scored his first goal of the season, the winning goal of the game. Delorey took a pass from Dean Campbell and fired it low into the corner of the net. Larsen turned in a strong performance and just missed a shutout when Flamboro scored late in the game.

It's an active week for Movers, with three games on tap, but Milton appears to be gathering momentum. They are 4-1-1 in the last six games.

Brother to brother act but shut out of silver

Milton Home Hardware Juveniles dropped two games in the regional Silver Stick playdowns at Owen Sound last weekend, losing 4-2 to Orangeville and 5-2 to the hosts.

Against Orangeville, Milton's Allan Jones opened the scoring early in the first period with help from his brother Steve James and Jeff Harris. With two minutes to go in the first frame, Orangeville tied the score. They pulled ahead in the second, making it 3-1 until Steve James again fed Allan for his second goal of the night. Orangeville retaliated in the third to double Milton 4-2.

Milton fell behind early in the game against Owen Sound and never caught up. They were behind 3-0 before Home Hardware regrouped and went on the attack. Trevor Riebot converted a pass from Paul Wilson in the second to put Milton on the board, but Owen Sound plugged two more in the final period. Mike Mangotich countered for Milton, assisted by Tracy Harding to record the 5-2 final.

Semi final shutout Jets burn Optimists

Despite winning four of six games and tying another, Milton Optimists minor peewees were disconsolate after their lone setback of the week.

The loss came in the semi-finals of the Brooklin-Whitby tournament and eliminated the team of 11-year-olds from further action.

In the tournament, Milton advanced out of their pool with wins of 5-2 over Belleville and 2-1 over Ajax, and a 4-4 hard-fought tie with Whitby. In the semi-final match-up, Milton was ousted with a 7-0 defeat to Mississauga Jets.

In Tri-County play, Milton came through with a clutch 4-2 win over Georgetown and a closer-than-expected 3-2 victory over Dundas.

In the tournament, Milton began with the convincing win over Belleville. Strong goal-keeping from Ryan Peddie over the final two periods helped insure the win.

John Cheeseman, Todd Mulley, Pat Henneberry, Mike Cox and Robbie Crowe, with a pretty breakaway goal, scored for Milton. Assists went to Jason May, Trevor Brandt, Russell McLean, Mulley and

Cheeseman. Against Whitby, Mulley scored with just 2:16 left in the game to force the tie. Damien Dubien, Ian Ellis and Brandt also scored. see OPTIS pg. B4

FAINTING

- Fainting may follow an emotional crisis or physically traumatic experience and/or a temporary interruption of the supply of blood to the brain.
- The primary aim is to get a satisfactory supply of oxygen to the brain.
- Lay the casualty on his side and deal with any obvious injuries.
- Raise the legs slightly above the level of the head.
- Ensure an adequate supply of fresh air and protection from extreme temperatures.
- Loosen clothing at neck, chest and waist.
- Reassure casualty.
- Gradually raise to a sitting position as consciousness returns and give sips of water if required.

Household Hints

Need a new pot lid handle? Attach a thread spool with a bolt and a nut.

Don't throw away the extra fabric you cut off dresses and skirts that have to be shortened. Use it for belts, scarves, even headbands to enhance the outfit.

When freezing fresh-baked goodies, throw in a paper towel or two. They will absorb extra moisture, prevent soggy cakes or cookies.

For safer walking in slippery weather, attach sandpaper to bottoms of footwear with two-sided tape.

Use artist's brushes to paint frosting designs on holiday cookies, or to glaze cookies or pies.
