At Barrie, Milton won the first half of the first period against Colts, starting quickly and carrying the game to the home team. Steamers scored the first goal of the game when captain Mark Duval flipped home a wrist shot in front of Colts' net. Dale Dawe had fired the puck in from his point position and Barrie was having a lot of trouble clearing the Milton crew from the slot.

Colts replied (Stewart Smith) to tie and then scored four more times in the second. Barrie's first two goals of the second frame were at even strength but they padded the cushion with two power-play goals in the middle of the period.

Barrie scored four more times in the final period including once on a power play. Milton made something of a comeback with two goals. Ken MacDonald got one when he beat a Barrie defenceman and had a clear run to the Colts' goalie, and Mike Seiling scored Milton's final goal from in front of the goal when he converted a loose puck into a goal. The opportunity presented itself because of some crisp Milton passing in the attacking zone.

Paolo Zulian played slightly more than two periods Thursday for Steamers while Andy Saliba finished that game and started Friday. Neither netminder could be faulted with the lion's share of the blame in the two losses.

Friday, Milton took the lead early and trailed just 3-2 at the end of the second. But the visitors popped home four goals in the last period while Steamers managed only two.

Bob Landry led Steamers with two markers, one in the first period and one in the third. He scored the first goal of the game while Milton played shorthanded. Landry, always dangerous anywhere near the opposing net, fired a quick backhand over Vaughan goalie Bill Stewart's right leg. On the other goal, Landry shot up left wing and crossed in front of the crease to beat Stewart.

Pete Jeffrey and McDonald scored the other two Milton goals, Jeffrey late in the second on a rebound and McDonald late in the third following a nice set-up pass from defenceman Claude Bertrand.

Milton faced Oakville Blades at Oakville Tuesday night. Results were not available at press time. Friday at Memorial Arena Nobleton visits and next Tuesday Steamers have a return engagement in Vaughan.

NOTES: Milton forward Tim Pollen sat out Friday night's game after hurting his shoulder in Barrie. He is expected to be back in action this week, as is Randy Heggie, who hurt his leg playing ball hockey.

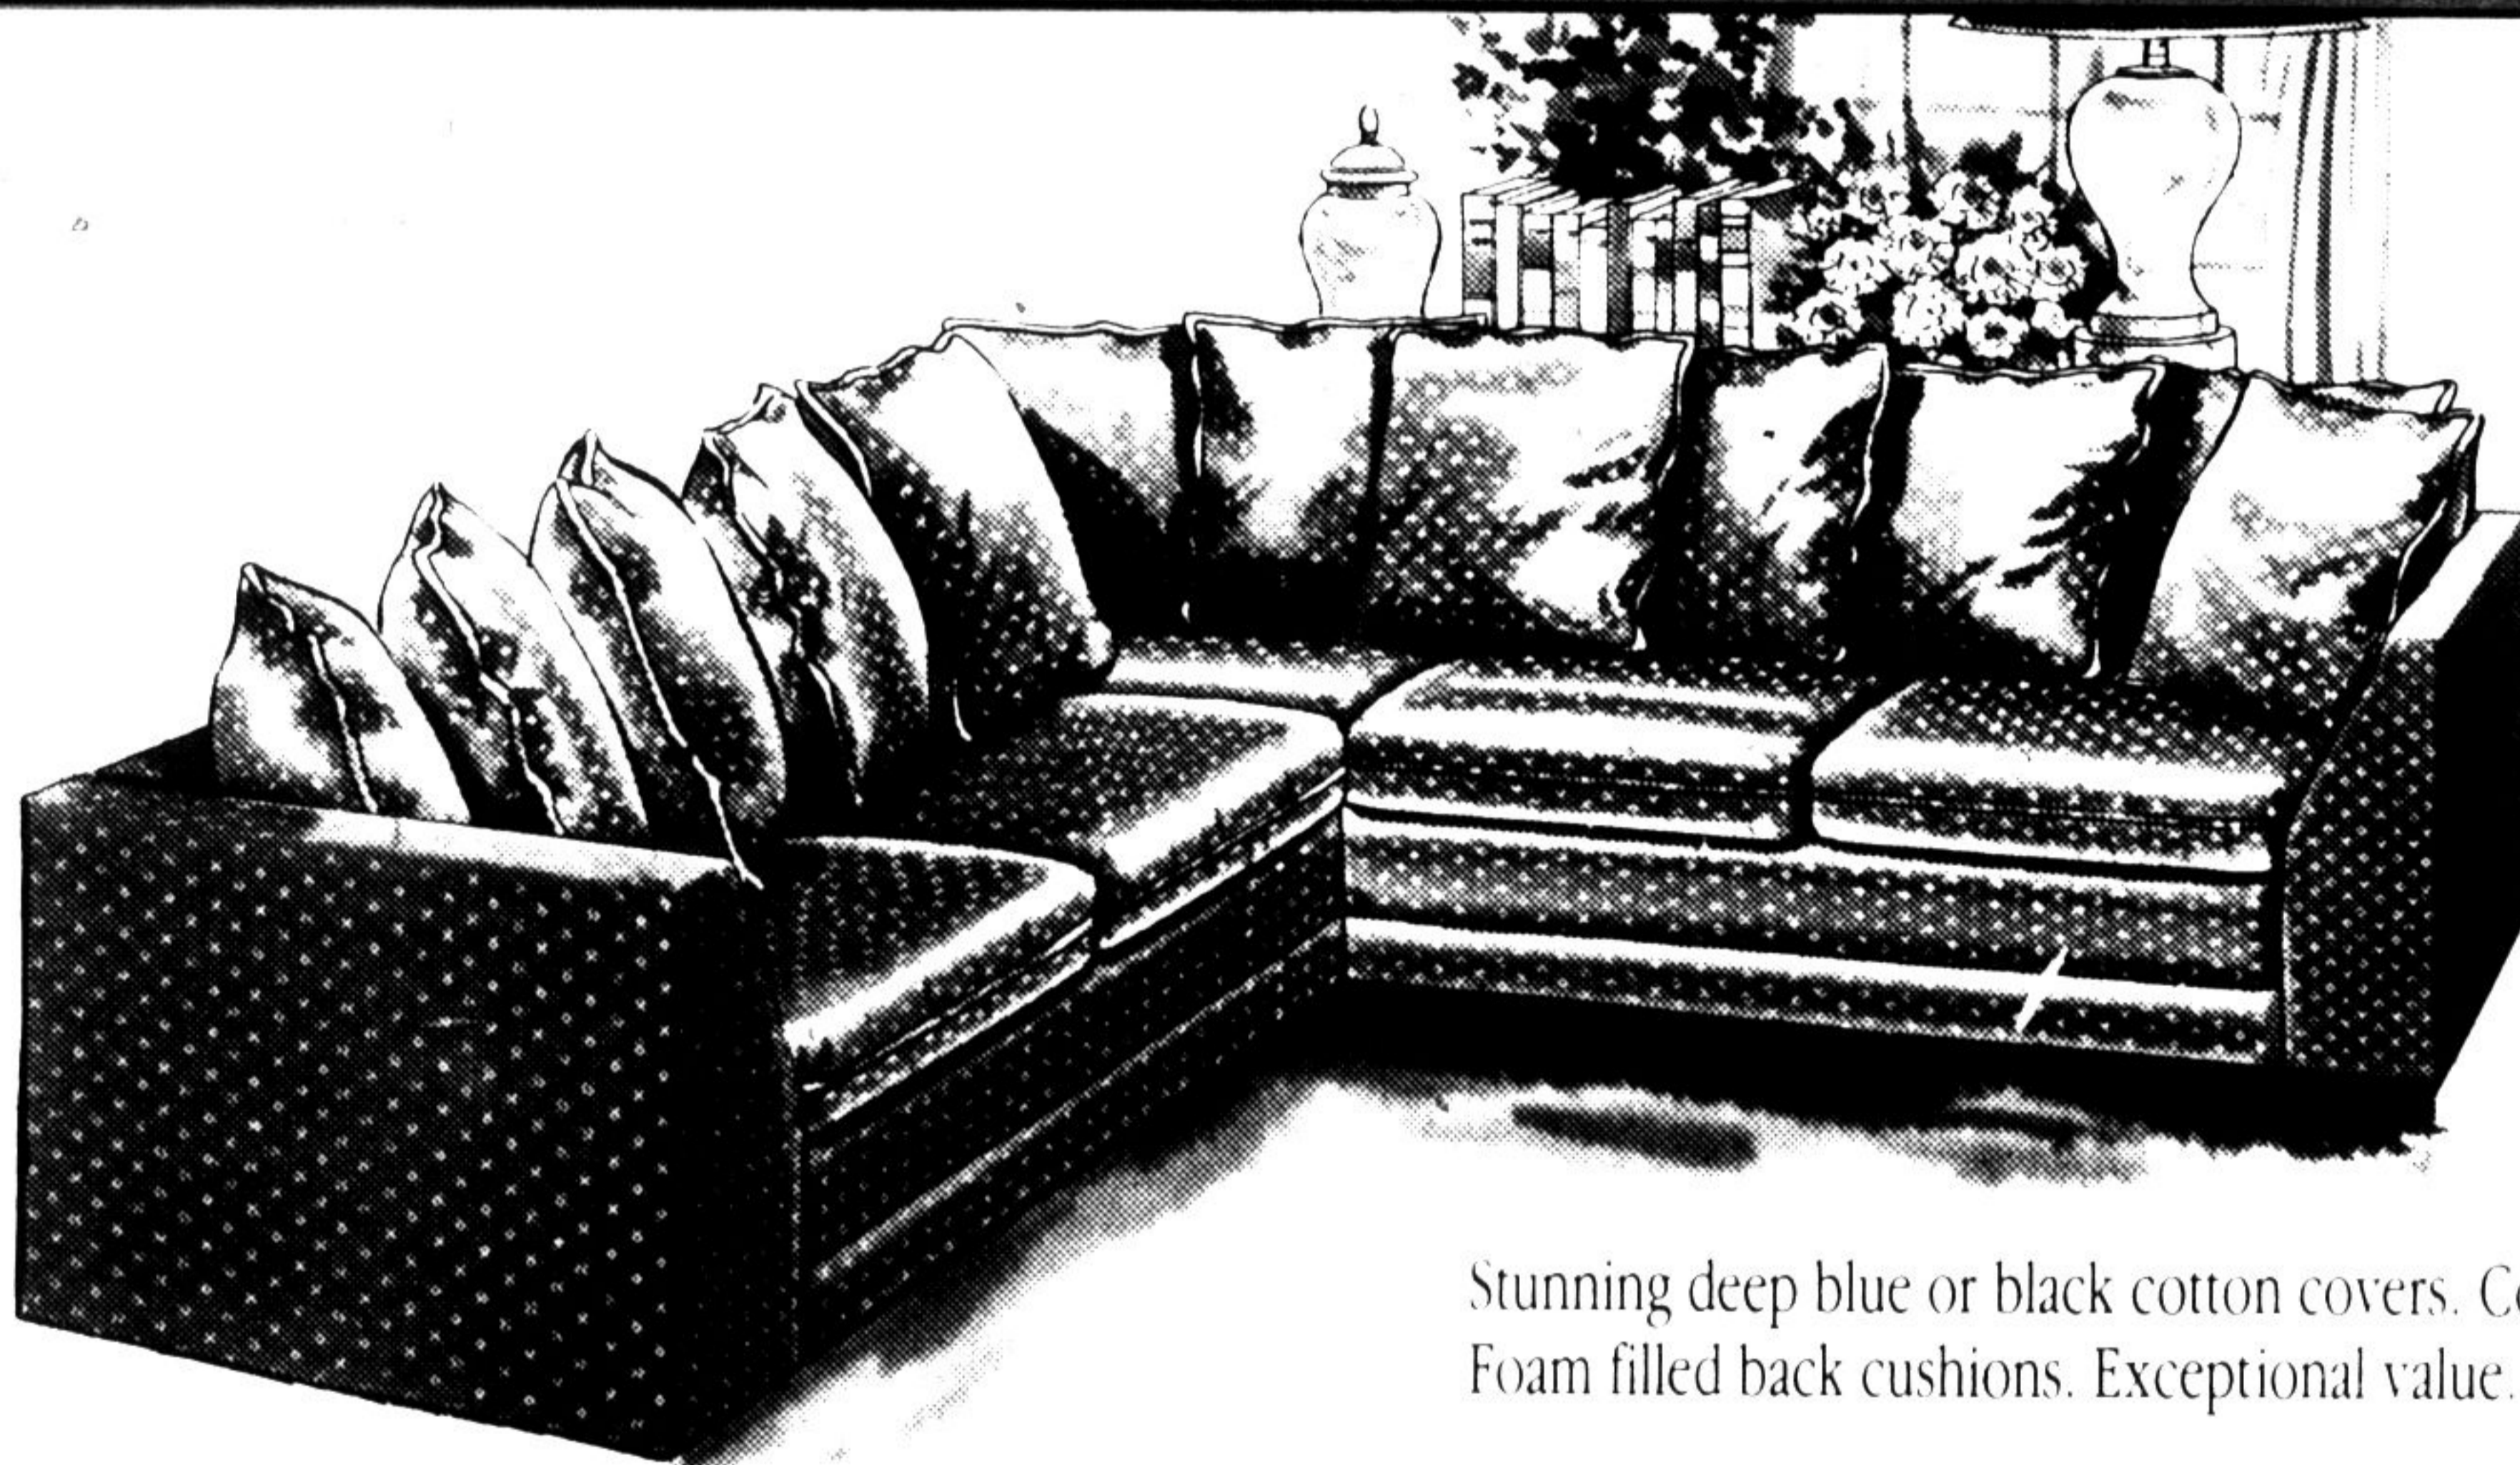

Thursday at Barrie some gentleman in the crowd decided he'd climb over the restraining barrier and get eyeball to eyeball with Claude Bertrand, who was serving a double minor for roughing. Wisely, Milton executive member Howie Scannell went to sit in the box with Bertrand until the game ended some three minutes later.
