WANTED - Small farm: This is an advertisement intended to reach a specific individual who, like myself, tries to eliminate pressures and timelines. I understand that selling country property can take time and pressure and to avoid this would you consider the following. Might you give some thought to renting your farm with a firm commitment from the renter to purchase in two years? I am looking for a small farm with a cottage or small traditional farmhouse, barn, paddocks and some land. I do not wish to buy at the moment but want to rent knowing that the work I do will be toward my future investment. The farm should be in the Campbellville area. Since this is a serious proposal on my part, I will give careful consideration to all contacts I receive. Please reply to Box No. 1122, c/o The Canadian Champion, 191 Main St., Milton, L9T 4N9.
