In women's hockey action

Home wins one

It was a won-one, last-one week for Milton Home Hardware in the Intermediate Ontario Women's Hockey Association. On Friday Milton was visited by Flamborough and it turned into a 4-2 loss for Milton. Milton markers came from Caroline Grasy in the first with 2.32 left on the clock; and the only other goal was at the 2.41 mark of the second from J. Wanless. Flamborough scorers were led by Corinne Hebert who potted one in the first period; one in the second; and one in the third, the last goal unassisted. Kelly Shibish got the other marker for Flamborough. Fortune smiled two nights later as Home

Hardware entertained Oakville and the outcome was a much better 6-2. Caroline Grasy got two goals, one in the second with an assist from Sheila Leach; and one in the third on an assist from Chris Bacon. Christianne Tremills got a pair in the third period. The first, unassisted, came at the 6.30 mark, and her second was at 3.05 with an assist from Sheila Leach. Other markswomen were Sheila Leach in the first period and D. Tyas in the second. In Junior action, Milton Frankel Steel put together a fantastic team effort to tie first place Burlington 11, 1-1. In the first period, Kim Lee scored her first-ever goal on a pass from Jennifer Flanagan. The girls were all over the Burlington players. Burlington got a power play goal with Jennifer Cheevers in the penalty box. Brenda Jones scored from her twin, Glenda. Standouts for Milton were Heather Tyas, Jenny Brooks, Laura Koshurba and Sandy Woolley. Also in Junior play, Teal Industries lost a 3-0 decision to Oakville.

REVISED REGIONAL OFFICIAL PLAN AMENDMENT NO. 8

WATERFRONT PLAN IMPLEMENTATION POLICIES

Council for the Regional Municipality of Halton has proposed an amendment to the Regional Official Plan Waterfront Implementation Policies.

The purpose of the amendment, known as Revised Amendment No. 8, is to provide more flexibility regarding funding and participants for the Waterfront Plan.

The existing financing provisions of the Plan require that 50-55 per cent of all funds for the acquisition of Waterfront properties be contributed by the Ministry of Natural Resources through the Halton Region Conservation Authority, while the remainder is contributed by the Region.

Recently the Region has encountered problems securing the necessary funds from the Ministry of Natural Resources as funding for Waterfront projects of this nature have been given a low priority.

Revised Amendment No. 8 will provide the Waterfront Plan with greater flexibility in two key areas:

1. Who can participate in the implementation of the Plan.
2. Who can participate in the financing aspect of the Plan.

Area Municipalities, the Federal Government and others will then be permitted to participate with the Region, Conservation Authority and Ministry of Natural Resources.

All interested citizens are invited to a Public Meeting, which will be held during the Planning and Public Works Committee meeting, for a presentation on the proposed amendment and to participate in an open forum of questions and answers on Amendment No. 8. Regional Councillors, Staff, and a representative from the Halton Region Conservation Authority will be present to reply to questions.
