Docs notch tie in first round

Exciting hockey games are becoming more than the norm than the exception for Milton minor atom Docs & Dents.

In first-round OMHA action Tuesday against rival Georgetown action Tuesday against rival Georgetown, Docs came through with one of their best performances of the year by rallying for a 2-2 overtime tie at Georgetown.

The second game in the best-of-three, now four-point, series goes Thursday at 6:30 p.m. at Milton with the third game slated for Sunday in Georgetown.

Georgetown jumped to the attack and

dominated the first period scoring the only goal three minutes into the contest. Only sharp goalkeeping from Milton's Brandon Bousfield prevented Georgetown from adding their totals.

With three minutes left in the second period, Jacques Maltais evened the score for Milton rifling home a high shot. Tyler MacDonald, who turned in a stellar effort on the blue line, assisted.

The score remained tied until 2:28 was left in the game when Georgetown capitalized on a Milton miscue to notch the go-ahead

goal. Undaunted, Medics came right back with 1:07 left to even the score with Janjevich scoring from a face-off cleanly won by Mike McPhail.

The two clubs spent the 10-minute overtime period going end to end but neither could take the lead. Georgetown out-shot Milton 29-26 in a game which featured excellent goalkeeping at both ends.

In tournament action at Pickering on the weekend, Medics won their first game 5-1 over Mississauga Algonquins before being eliminated from further action by Whitby 5-3.

Medics out-classed Algonquins throughout the game and were never threatened. Roberto Dero opened the scoring just one minute into the game with an unassisted effort. Early in the second period William Giles made it 2-0 with some persistent poking at the side of the net. Brian Mallany jumped up an assist.

Janjevich then took over notching three straight goals. His first marker midway through the middle frame was assisted by tireless Greg Stephens and Maltais. In the third period, Janjevich and Maltais. In the markers six seconds apart to seal the win. His first was assisted by Dero. Mississauga broke Milton goalie Chris Heipel's shutout bid with a flukey goal just 1:09 from time. Janjevich was chosen Milton's MVP for the game although Mike Brouwers and Mark Elkins rated strong consideration.

The match with whitby was a tough barn-burner with neither team able to get more than a goal in front until midway through the third period.

After a scoreless first period, Whitby opened the scoring. Just over a minute later Milton tied the score with Maltais scoring from Fred Van Zutphen and Brouwers. Janjevich quickly upped the lead when he scored from Dero and Elkins but Whitby tied the score just eight seconds later to send the clubs into the third period tied at 2-2.

The seesaw game continued with Whitby taking the lead 17 seconds into the third period. But Medics tied the score once again with Dero sending a perfect pass to Janjevich in front of the goal. Unguarded, Janjevich calmly waited for the goalie to get down before firing the puck high to the net. McPhail also assisted.

Whitby then scored twice 26 seconds apart just two minutes later to seal the win. Maltais, who was flying from start to finish, was named Milton's MVP.

Fights mar juvenile action

Milton Home Hardware juveniles picked up a win and a tie last week in league play. Last Saturday they were in Oakville and skated away with a 4-2 win.

In that game Jamie came off the bench in the third to notch two goals while Mike Hennesbery and Steve James added singles.

The real action took place last Sunday in Milton as Dundas came to town in first round playoffs.

The game was a seesaw battle, when with

the score tied 2-2 and late in the second, a number of fights took place and four players from each team were rejected.

That meant Milton had to go with only nine skaters and were forced to play the rest of the game with no reserves.

But play they did as they took a 3-2 lead on Terry Ellwood's goal with just five minutes left.

Milton finally ran out of gas as Dundas scored a screen shot from the point with only two minutes left on the clock.

Schedule opens

Optis fate Thursday

At the end of regular season play the Optis travelled to the 11th annual "Golden Acres Tourney" in Blenheim.

Milton opened their schedule with a 4-3 win over Niagara Falls which put the home team in the semifinal round against their cross-country rivals Georgetown.

Against Niagara, Danny Bealish, who had a good series, tied Niagara's opening goal in the first period with assists going to Darren Beals and Derron Bain.

Niagara moved ahead but Beals, who is steadily improving in his new centre ice position tied the game on a goal assisted by Paul Carles and Stefan Mangotich.

Again, Niagara took the lead before John Bacon, who also had a good game, tied the contest assisted by Rory McLean and James Green. It was Bacon and Mangotich who assisted Paul Carles, game winning marker at 1:58 of the third period to put the Optis into the semi-final.

In the semifinal game Milton met a "hot"

Georgetown team who took the tenth 9-0. Georgetown went on to win the tourney in the peewee division.

In post season play, Milton meets Dundas in a best of three round.

In Dundas, the Optis fell behind by two before Darren Beals, playing his most aggressive game at centre, brought Milton within one at 3:20 of the third period.

Assists went to Paul Carles and David Fowler.

This made for an exciting finish as Milton came close to tying on several occasions before Dundas got their third into an empty net.

Milton goalie Richard Saliba had a good game as he turned aside 15 shots during the contest including several key saves which kept his team close throughout the contest.

Play resumed last night in Milton. Hopefully the Optis will keep alive and return to Dundas for the deciding game Thursday.

Baugh first

Baugh capitalized on some Milton Welding penalties to score two late second-period goals on their way to a 4-2 win Sunday and sole possession of first place in the White Oaks Hockey League.

The victory put Baugh two points ahead of Welders in the race for first place. Both clubs have played 14 games. In the other WOHL game, cellar-dwelling Peaks Industrial earned a hard-fought 4-3 decision over Oakville Legion.

Baugh surged ahead 2-0 with the lone tally of the first frame and an early score in the second period. Welders closed to within one when Norm Mowbray scored from Joe McCarthy with 2:16 left in the middle frame but the resurgence was short-lived.

With Welder Rod Gooding serving the second of a double minor, Louis Girard put Baugh up 3-1 with just 24 seconds left in the period. Three seconds later, Gooding and teammate Mike Leslie re-entered the penalty box and with just six seconds left Baugh's Rusty Chapman scored for a 4-1 lead.

Mowbray scored again late in the third period but Welders could get no closer. Also scoring for Baugh were Bob Neeb and Doug Campbell.

Peaks Industrial got two goals from Kevin O'Neill and singles from John Magee and Craig Peaks to turn the upset on Oakville Legion.
