

MILTON DISTRICT HOSPITAL FOUNDATION ANNOUNCES A

"PERSON-TO-PERSON"

Town-Wide Campaign for Funds

WE NEED

\$400,000.

TO PUT OUR

"WALL OF BRICKS"

OVER THE TOP

HERE IS HOW YOU CAN
"HELP US, HELP YOU"

**BUY A ROOM
OR EQUIPMENT:**

There's a shopping list available, showing how you can purchase a room or a piece of equipment, at prices ranging from \$200 up. For donations over \$5,000., a bronze plaque will be provided. Small plaques may also be attached to rooms or equipment which cost less than \$5,000. For recognition, sign up now for equipment or one of the 51 rooms available.

BUY A BRICK:

For a donation of \$200 you can have your family name on a permanent interior brick wall in the expanding hospital. Your name will also be displayed on a "wall of bricks" at Milton Mall, and you will receive a souvenir "Associate Builder" brick you can display in your home or office.

BE A FRIEND:

Donors of \$100 or more will have their names inscribed in a "Book of Friends" to be displayed in the hospital lobby. Of course if you can't afford \$100., any donation will be acceptable.

BE A VOLUNTEER:

We need more workers—office help, telephone canvassers and street canvassers. If you can spare a few hours evenings, weekends or daytimes, please call Sue McLean at

**THIS IS NOT "DOOR-TO-DOOR", IT'S A
"PERSON-TO-PERSON" CAMPAIGN**

Telephone canvassers will be calling your home starting Feb. 13, to set a convenient appointment time for our canvassers. If you have any questions, the person who telephones will have (or get) the answers for you.

Organizers are attempting to ensure that no-one who has already given to the hospital campaign, will be approached again. If you have already given and a canvasser calls, we apologize.

Please discuss your family's donation

with your spouse and family now, so you will be prepared to give when a canvasser calls.

If you wish to avoid having someone visit, you can mail your donation to the Hospital Foundation at 30 Derry Rd. E., Milton, L9T 2X6, or use the handy return envelope mailed to your home last week as part of a hospital information packet.

Our Banks, Trust Companies, Credit Union and the Telephone Canvass Centre at Milton Mall will also accept your donation.
