

Escapes injury in car accident

Two Acton residents escaped injury following a single car accident in rural Milton Thursday afternoon.

The mishap occurred on 20 Sideroad near Sixth Line when Blair Bowman, 28, of 42 Brock St., swerved to avoid an oncoming car and lost control of his 1982 Honda.

Halton Regional Police said the car rolled over but both Mr. Bowman and two-year-old Melissa Gouy of the same address were not seriously injured. Police said the youngster was strapped into a child restraint seat.

Damage to the Honda is estimated at \$6,000. Police said they were unable to trace the mystery car which had apparently caused the accident.

Overtaken but safe

A 25-year-old Waterdown man and his passenger escaped serious injury when their tree-pruning truck went out of control and rolled over in a roadside ditch last Tuesday morning.

Halton Regional Police said Jerome Scott Isley, of 1 Hamilton St., Waterdown, was travelling eastbound on Derry Rd. 100 metres east of Guelph Line when the front wheel fell off his vehicle.

The truck veered across a westbound lane, struck a guard rail and rolled over in a nearby ditch.

Neither the driver nor passenger William Miller, 21, of the same address, sustained serious injuries. Police estimate \$1,000 damage to the truck.

Driver nabbed

Clever police investigation is credited with the apprehension of a man wanted in connection with a hit-and-run accident Sunday morning.

Dorothy Whyte of 127 Harvest Dr., Milton, was travelling eastbound on Derry Road near Fifth Line Sunday morning, when she was struck by a pick-up truck at the intersection, according to Halton Regional Police.

Mrs. Whyte and her husband Robert sustained minor injuries in the collision. But their 1978 Chevrolet station wagon was demolished.

Constable Gavin Hayes investigated some debris left at the scene and after checking it out with a Ford dealer, determined that the suspect pick-up truck was a Ford between the years of 1973 and 1978.

Shortly after 6 p.m. of the same day, Sergeant Wayne Eastwood was patrolling in the vicinity of the Sixth Line near Steeles Avenue when he came across a 1975 Ford pick-up truck matching the description of the wanted vehicle.

Charged with failing to remain at the scene of an accident is 41-year-old Paul Dermo of Lot 5, Concession Six, Georgetown. He is scheduled to appear in Milton Provincial Court, Thursday, March 15.

A wild ride

A 17-year-old Milton youth has been charged with dangerous driving and failing to stop for police following a police pursuit through downtown Milton Saturday night.

The incident occurred at approximately 8.15 p.m. when Halton Regional Police Constable Louis Agostinho observed a vehicle travelling in an erratic manner on Nipissing Road.

The car turned left onto Main Street and proceeded at a high rate of speed through a red light at the intersection of Main and Ontario Streets.

According to police the suspect car passed a number of cars, cutting off several and forcing one driver off the roadway on Ontario St.

Police followed the vehicle east on Steeles Avenue to Wilson Drive and Willow Drive where the constable managed to pull the driver over.

Charged is Mark Charles Speck, of RR 6, Milton. He is due to appear in Milton Provincial Court Monday March 12.

School vandalized

Halton Regional Police are investigating a case of vandalism that occurred at J. M. Denyes Public School over the weekend.

Police said five windows were smashed at the Thomas Street school between Saturday evening and Sunday. Damage is estimated at \$400.

Request denied for plowing

A request by the Milton Evergreen Cemetery Co. to have the local cemetery sanded and plowed by the Town of Milton has been turned down by Milton Council.

Councillors agreed that under emergency situations, the town would assist with snow removal, but that under normal circumstances it is up to the company to hire private contractors.

council briefs
with **LINDA KIRBY**

It was noted that the town does not plow or sand the rural cemeteries and it would be unfair to make an exception for the urban cemetery.

The request was made on the grounds that family members recently have experienced problems getting into the cemetery and that perhaps the town might consider cleaning the driveway when the plow goes by.

Three Members

The Local Architectural Conservation Advisory Committee for Milton has three new members.

A town by-law was passed last week appointing solicitor, Michael Clements, architect John Dorris; and town councillor Blanche Hinton to the committee.

On Board

Lester Wood and George Jackson have been appointed to the Milton Public Library Board.

Their positions were confirmed last week by Milton Council, with the passing of a by-law.
