

Cage team goes to conso

The weekend before last, the midget boys' basketball team travelled to Aurora to play in the Golden Gopher tournament. The boys made it to the consolation finals by playing outstanding. Scott Baird and Dave Gillbert showed fine skills.

Last Tuesday, the girls' volleyball teams played against Georgetown Rebels. They both lost their matches. The juniors lost 15-1 and 15-12. The seniors won their first game 17-15 and then lost the next two 15-12, 15-10.

The boys' basketball teams hosted Oakville Trafalgar last Wednesday. This game was their last season game before the finals. The midget and senior teams were both victorious in beating O.T. The midget score was a close 43-42 and the senior score was a crushing 61-29. The juniors were defeated by 20 points. Score was 66-46.

Thursday, the girls' volleyball teams played again. The juniors played first and overpowered Drury two games to one. The seniors also won two of three games with scores of 15-4 and 15-9.

Saturday, the senior boys' basketball team hosted a Milton Mustang Invitational. Milton played their first game at 10:15 against Rockway. They beat Rockway by a score of 52-31. Their second game in the semi-finals was against Sarnia. The final

Wrestlers bring home medals from Peel-Halton major meet

In the Peel-Halton Vocational Wrestling championships, Drury placed third in a field of seven teams.

Top wrestlers for Drury were Chris Haskell who won the gold medal in the 134 lb. class; Brad Youman a gold in the heavy-weight division; John Zammit a silver in the 119 lb. class; Kashmir Singh a bronze in the 127 lb. class; and Jim Wiens a bronze in the heavyweight division.

The junior girls' volleyball team continued their undefeated streak up until Thursday of this past week. On Tuesday they hosted White Oaks and won all three games by scores of 15-6, 15-5, 15-12.

However, on Thursday they were defeated by their cross-town rivals Milton District

mdhs sports

with ANDREA POWELL

score after overtime was Sarnia 40 and Milton 33.

Also Saturday, the girls' senior volleyball team competed in the Gordon Graydon tournament in Peel.

In their first match, they lost against Richview. They tied their second match with Lorne Park and in their third match against North Park they won two of the three games played.

For their final match they played Westmount and again won two games. This brought them into a tie for second place and a possible chance to play in the semi-finals.

They tallied up the total point accumulation and unfortunately the team they were tied with beat them by seven. This meant that the other team would go into the semi-finals.

While both senior basketball and volleyball teams were at tournaments Saturday, so were the midget boys' basketball team. The team was partaking in a Georgetown tournament. The team made it to the consolation finals with help from Dave Gilbert.

Remax scores stunning triumph

Just when it looked like Remax Realty was on the verge of hitting the bottom of a season-long slide, the club turned around and did something which not only put them into fourth place in the Milton Hockey League, but gave the rest of the league a scare.

What they did was beat B.W. Haggart Crane by a stunning 9-2 score. The win put Remax into fourth ahead of Charles-Knight's and dropped Haggart into a tie for the top spot with Straight Line Fence.

In other games, Straight Line turned back Charles-Knight's 6-1 while Sandstone Transport fought off a late challenge by West End Bulls 5-4 to move to within two points of the co-leaders.

It was the second straight loss in a big way by Haggart. Remax shocked the Craners with four unanswered goals over the first two periods and ran up the score to 7-0 before Haggart got back in the game with two late scores.

The win was a sharp turnaround for Remax which has had trouble beating anybody for the past two months. Meanwhile, Haggart, which had gone unbeaten through its first 14 games, now must quickly get back into form if they club entertains any hope of laying claim to the championship of the league.

Paul McCann paced Remax with three goals and an assist while Bob Baker added two goals and two assists. Earl Sheppard added a goal and two assists while Calvin Snow, Greg Finn and Duane Stark scored once each. George Cescon earned two assists while Ray Delegarde, Rick Champoux and Les Wilson had one assist apiece.

MHL highlights

Sandstone Transport rolled to an early 5-1 lead before West End Bulls, behind some strong goalkeeping from Jerry Dean and some lacklustre play by Sandstone, nearly pulled out a tie with three three-period goals.

Opportunist Randy Coulson capitalized on some miscues around the West End goal to score three goals helping Sandstone stake a 4-1 first-period lead. Jay Norland also scored.

Early in the second period, Jim Cartwright upped the lead to 5-1 and on that note

Sandstone coach Ron Armstrong, suffering from the flu, opted to return home to recuperate.

It's a good thing he left early because third-period goals by West End's Ron Larouche with two, and Rod Hough brought Bulls to within one. A late rally in the final minute failed to net a scoring chance enabling Sandstone to limp home with the win.

Straight Line broke open a 2-1 score with four unanswered third-period goals to take the win away from Charles-Knight's.

Rob Champoux and Norm Kerwin fired two goals each for Straight Line while Randy MacDonald and Pat McManus added singles. Don Habkirk chipped in with four assists.

Swimmers shine to victory

Dominating all her events, Carrie Powers captured four firsts to lead Milton Aquatic club to the championship of a six-team meet in Burlington Sunday.

It was a sparkling performance for the Milton club, and Powers in particular. Other teams were from Georgetown, Acton, Burlington, Oakville and TOMAC, from Toronto.

"I'm very proud of the whole team," said MAC coach Carole Murray. "We made the children where long Johns and T-shirts, in practice and it paid off."

Mrs. Murray also said she worked her older swimmers about 180 lengths of E.C. Drury pool during practice giving the swimmers good endurance.

Powers dominated the 11-12 yr division for

girls capturing all four events she entered. She had some help in the same group as Heather Livingston had two fourths, Michelle Sutherland had a second and Sarah Silcox had a third. The relay team, made up of the same four girls also finished first.

In other results for girls, Heather Coffen had two firsts, a second and a third in six years and under. In the same group, Sommer Johnston had a second, a third and two fourths while Kettie Moore had two fourths and a sixth.

Alicia Hicken had a sixth in 7-8. In the 13 and over, Jennifer Bateman had a first and a second, Michelle Nelson had two thirds and a sixth, Gayle Sutherland had a fourth and Catherine Darbin had a fifth.

On the boys side, Trevor Kuhn topped the six and under group with two seconds and a third. David Houle had a third and two fifths in 7-8 while Anthony Rosiello had a fourth.

In 9-10, Wade Hicken had a second and a fifth. In 11-12, Andrew McTavish had three seconds, Sandy Duncan had two thirds and a fourth, and Jason Farrow had a sixth.

In the 13 and over group, Chris Bateman topped the club with a second and two thirds. Jody Fedacek had a second and a sixth, Martin Powers had two sixths and Andrew Bates had a fifth.

In relay events, the 11-12 boys, of Warren Nelson, Grahame Murray, Duncan and Farrow was second. The 13 and over team was also second made up of Mark Myronyk, Chris Bateman, Matt McTavish and Martin Powers was also second. In third was Andrew McTavish, Jody Fedacek, Brent Currie and Andrew Bates.

E.C. Drury

with MAUREEN SMITH

High School. Drury won the first game but MDHS fought back to win the second. In the third game, MDHS took an early 7-4 lead but Drury fought back to bring the score to 9-8. District then pulled away with six straight points to win 15-8.

Against White Oaks, the seniors won the first game 15-8 but lost the last two games.

Against MDHS it was the opposite. District won the first two games 15-5, 15-4 while Drury won the last game 15-1.

Novice Aeros' get good goaling for highly productive weekend

Excellent goalkeeping coupled with strong play enabled Milton Remax Realty novice Aeros three points in two games over the weekend.

Milton came within a hair of making it a sweep when they led Chinguacousy 2-0 Saturday before allowing Ching two goals in the final two minutes to earn the tie.

Milton opened the scoring midway through the first period when Kevin Boyle scored with an unassisted effort. With three minutes left in the game, Milton's Ricky O'Donnell upped the lead to 2-0 scoring from Stephen Webb. However, Ching added a

power-play goal and then with six attackers tied the score with just 25 seconds left in the game.

Milton goalie Lee Rivett performed exceedingly well in the nets and should have been rewarded with a win for his efforts.

It was goalie Jason Atkinson's turn to shine Sunday as he turned aside everything Georgetown threw his way leading Milton to a 1-0 win. Chris Deraiche notched Milton's lone goal scoring from Craig Power.

In both games, all Milton players played well showing the improvement they have gained throughout the year.
