

Baugh avoids elimination

For the second straight time, Milton Welding had an opportunity to capture their best-of-five final against Baugh Construction in the White Oaks Hockey League. And for the second straight time, they blew it.

Baugh scored three unanswered third-period goals to earn a 6-6 tie with Welders Sunday at Memorial Arena. As a result, Welders now lead the six-point final 5-3. The fifth game goes Sunday at Memorial Arena. If a sixth game is necessary, that'll be played the following Sunday.

Welders had many chances. The club led 2-1 after one period and 6-3 heading into the third period. However, as in the previous game, Baugh roared back with a good effort in the final period to score three goals while holding Welders off the board and secure the tie.

Goals from Norm Mowbray and Dave Turner installed Welders into a 2-1 first-period lead. Doug Camp-

bell, who had four points in the game, replied for Baugh.

John Moore scored for Welders for a 3-1 lead early in the middle period. Bob Neeb bridged the gap to within one five minutes later but Welders resorted their two-goal lead with a goal from Ken Kerr seven seconds later.

Baugh closed the gap to within a goal once again with a marker from Dave Heipel at the 6:39 mark. However, Dave Turner again scored for Welders and Kerr, with just 1:34 to play in the period, scored for Welders for what appeared to be a commanding 6-3 lead.

Baugh didn't let up bouncing back just 38 seconds into the third period. Campbell fired the goal. Midway through the period, Brian Watson scored to pull his club to within a goal.

The tying goal was scored by Heipel with 5:13 remaining.

Girls Softball down in numbers

An increased registration for the second-year Girls T-Ball League has been partially responsible for a less-than-expected registration for Milton Girls Softball, says MGSA registrar Bob Diamond.

The initial registration for Girls Softball is down about 50 to just over 200 registrations. Meanwhile, Girls T-Ball increased dramatically going

from four to 14 teams in just one year.

The group needing the most players is junior (under 10 years of age). Registrations for intermediate and senior are running about normal.

Registration remains \$15 per player with no late fee charged. Interested players can call Diamond

at 878-9441 for application forms.

The league will formulate teams within the next three weeks with the season scheduled to get underway during the week of May 22.

The league is also in need of coaches. Two coaches are needed for each of the junior and intermediate levels. All four senior coaches are returning. For more information, call Diamond.

At Steamers banquet

Hudson signed to coach

Gary Hudson has been confirmed as coach of Milton Jr. B hockey Steamers for the 1984-85 season.

Gary Hudson will back behind Milton Steamers' bench for the coming year, the club announced.

The Milton native, who replaced Ray Tonelli just prior to the play-offs, was named as the coach at the Steamer annual banquet Saturday at Lions Hall.

Hudson began the 1983-84 season coaching Acton Sabres. However, he was replaced midway through the season. After acting as an unofficial assistant coach for a month or so, Hudson assumed the full coaching responsibilities just prior to the first-round playoff series with Barrie Colts. Steamers lost the series four games to one despite winning the first game in Barrie.

The club also announced its trophy winners for last year.

The club's most valuable player

was Bob Landry. The slick centreman also captured the award for leading the team in scoring during the year.

Defenceman Claude Bertrand was also a double trophy-winner. He was named the club's top defenceman as well as receiving the most votes by the fans to capture the most popular player award.

Bob Mills was named the most popular player with his teammates.

The rookie of the year was speedy Trevor Erb. The most improved player was Mark Haskett while the winner of the Ted Hood Memorial Trophy, judged for sportsmanship and playing ability, was defenceman Randy Heggie.

Badminton takes honors in tournament play

Trophies were the order of the day as the Milton Badminton Club brought home six trophies from the Hamilton and District Closed badminton tournament recently.

Among the winners was Fraser McLellan who captured the men's B division title. Randy Ark and Neville Newman succeeded in taking the men's B division doubles' crown.

In mixed doubles of the B division,

Maureen Morgan combined with Ark to take the title. Phil Whiting and Gary Starr handled all division C opponents en route to taking the men's doubles' title.

E.C. Drury's high-school team won the high-school trophy for gaining the most points of all high-school teams entered. In addition, the ladies' teams were finalists in doubles at both the B and C division levels.

**NOTICE OF PUBLIC MEETING
RECONSTRUCTION OF STEELES AVENUE SOUTH
(REGIONAL ROAD NO. 8) FROM 9th LINE
TO WINSTON CHURCHILL BOULEVARD**

Notice is hereby given pursuant to Section 301 of the Ontario Municipal Act, R.S.O. 1980, Chapter 302 as amended, that the Council for the Regional Municipality of Halton proposes at its meeting on **May 23, 1984, at 1:30 p.m.** to pass a by-law for construction work on Steeles Avenue and Winston Churchill Boulevard within the following limits:

- 1) Reconstruction of Steeles Avenue from approximately 80 m west of 10th Line North to approximately 40 m west of Winston Churchill Boulevard.
- 2) Intersection improvements and widening at Steeles Avenue and Winston Churchill Boulevard within the following limits:
 - (a) On Steeles Avenue from Winston Churchill Boulevard to approximately 280 m east of Winston Churchill Boulevard.
 - (b) on Winston Churchill Boulevard from approximately 120 m north of Steeles Avenue to approximately 80 m south of Steeles Avenue.
 - (c) asphalt overlay and drainage improvements on Steeles Avenue from 20 m west of 9th Line South to 80 m west of 10th Line north.

The intersection improvements at Steeles Avenue and Winston Churchill Boulevard will include left turn lanes on Steeles Avenue and Winston Churchill Boulevard. Curb and gutter drainage will be provided within the limits of the intersection.

The remainder of Steeles Avenue will be constructed to rural standards with roadside ditch drainage.

Plans showing the proposed work may be inspected at the Public Works Department offices, 2316 South Service Road West, Oakville, Ontario, or the North District Operations Centre, 1600 Steeles Avenue West, Milton, during normal business hours.

On **May 16, 1984, at 9:30 a.m.** in Committee Room No. 1 at the Regional Administration Building, 1151 Bronte Road, Oakville, Ontario, Council through its Planning and Public Works Committee will hear in person, or by his Counsel, any person who claims that his lands will be prejudicially affected by the said by-law and who applies to be heard to the Regional Clerk, no later than **May 11, 1984 at 4:30 p.m.**
