Toronto Line 826-9218

This five acre piece of the country offers privacy and accessibility. It is located minutes from the 401 and within walking distance of Kelso conservation area.

The unique design of the kitchen utilizes space efficiently leaving room for a large eating area and access to the back yard through sliding glass doors.

The mirrored wall adds to the appeal of the master bedroom. The large room features an ensuite as well as his and her walk-in closets.

BEAUTY HAS BEEN CAPTURED AND

nestled in the hillside to take full advantage of the beautiful countryside view with complete privacy being afforded by the tall trees at the rear.

This unique property, located minutes from the 401 and Hwy. 25 and just a short walk to Kelso and Glen Eden ski area offers 5 acres; 2 acres cleared with two spring fed ponds, a four stall barn, tack room and fenced paddock; 3 acres of bush.

The home, custom built from reclaimed brick, has approximately 3,000 sq. ft., 5 bedrooms - the Master bedroom with ensuite and his and her walk-in closets.

The main level has a center hall plan with oak staircase and trim, a den with built-in shelves and desk, formal living and dining room and a huge Hollywood style kitchen with built-in appliances and garburator. The dinette has a built-in china cabinet, phone desk and walk-out. The main floor family room offers reclaimed brick fireplace and walk-out.

Extras include a double car garage with automatic openers, central air and electronic air cleaner.

To view please call Royal Trust Corporation of Canada, Realtor 878-8188.

realtor's choice

This is the kind of family room which invites use. Sliding glass doors allow for plenty of natural light and a reclaimed brick fireplace will keep it cozy on cool days.
