

## Immigrants welcome at The Centre

Immigrants who have recently arrived in Canada will have a chance to see many features of their new homeland Tuesday evening.

Documentary films will reveal its many natural amenities to participants in the New Canadians program at The Centre beginning at 7.30 p.m. The group began meeting Tues. May 1 at the facility located off Main St. behind the Lido restaurant.

It costs nothing to be part of the New Canadians program which is sponsored by the Festival of Countries committee. The weekly meetings will include visits by guest speakers who will cover topics like job finding, law, language, crafts and community resources.

The group will play a supportive role as well.

For more information about the program call 876-1244 or drop in at The Centre Tuesday evening and participate.

## Spring musical at MDHS Wed.

Spring will be heralded by the sound of music at Milton District High School Wed. May 23.

Music night '84 will be presented by the high school band at 7.30 that evening in the gymnasium.

Proceeds from the event will contribute to a weekend trip to Sudbury.

Admission is \$3 for adults and \$2 for students and senior citizens.

## Families are subject of presentation

Changes in society not only effect individuals, they mean changes within the family.

The image of a "normal family" can become lost in the midst of this change and that point has not been lost on Halton Family Services. Normal families will be the topic of the first of two presentations sponsored by the group at Milton Public Library.

"What is a normal family?" will be covered by Jack Knight, assistant executive director of Halton Family Services and Leila Augustin.

The first presentation, Tues., May 22 at 7.30 p.m. will be followed by "Children of separation and divorce" on Tues., June 19.

Theresa Wilson of Halton Family Services will address this second family-related subject. Parents will be advised how to help children in this situation through various techniques which will be of value to both parties.
