By Ella Patterson

Birthday greetings and good wishes to Tony Massa, four years old on May 14 and to Lena Cragg on her special day May 11.

Special Mother's Day service was held at Omagh Presbyterian church on Sunday, May 12 by the minister Rev. Cecil Cunningham. The Sunday School children handed out a beautiful carnation to honor each lady present.

A baptismal service was conducted when Mr. and Mrs. Allene Jamieson presented their baby daughter Marion Lindsay.

A joint church picnic for Omagh and Boston congregations will be held Sun., June 10 at 12 p.m. at the home of Mr. and Mrs. Wm. Schreiber of Boston.

The science fair for Milton high school students was held on Tuesday night May 15. Douglas McCann of this area took as his project testing feeds for pigs. The project started by choosing twenty young piglets weighing 20 lbs. each. These were divided into four groups of five in each pen.

Douglas fed each group different feeds to decide which made for the quickest growth and best overall finish. His final analysis was displayed at the fair. It was the product of a large feed company.
