Two impressive wins even peewees at 4-4

Milton Banvil peewee reps evened their record at 4-4 with two impressive wins over Oakville and Streetsville last week.

In the first game with Oakville, Milton jumped out to a 2-0 lead in the first inning but this lead was soon demolished as Oakville tallied for eight runs to take an 8-2 lead. During the remainder of the game Milton broke loose for 14 runs to take the game 16-8.

Leading batters for Milton were Eric Peternell with two singles and one double plus four RBIs, Rich Carmen with three singles and 3 RBIs, Brad Moreland with three singles and one RBI, Chad Raszewski with one single and two RBIs, Josh Gainley with two singles and Robert Mason and Mark French each adding one single.
Banvil took their next game against Streetsville 6-3. Their scoring began in the third inning with a lead-off single by Moreland who ended up scoring on a wild pitch by the Streetsville starting pitcher.
Carmen reached third on a triple and scored on an error by the Streetsville shortstop. In that same inning Pernel also scored extending their lead to 3-1.
With runs in the fifth and sixth Milton jumped ahead 6-1. But in

the bottom of the seventh Streetsville tallied for two runs to make the final score 6-3 for Milton.
The real story in this game, though, was the great pitching performance by Raszewski. He struck out 13 batters and allowed only seven singles.

Wingers on a roll
Milton Cheers Wingers continue to dominate the early going in ladies soccer rolling to an easy 3-0 win Monday in their home opener at Kinsmen Park against Acton I.
Despite dominating the mid-field action, Wingers were unable to capitalize on several scoring chances when they were put off-side by Acton's defensive players.
Milton's Gesa Kohn-Gould succeeded in breaking through Acton's defence on two occasions and scored both times from the left wing. Wendy Marak added another in a penalty kick.
Pat Mindorf, Lee-Anne Middleton, Anna Poloni and Lisa Joaquin put in good efforts for Milton. Goalie Debbie Timbers was again sharp coming up with her second shutout of the season.

The Teammate-of-the-Year Award is always a special one, as the winner is chosen by the gymnast themselves. This year, Andrea Geniole was awarded this honour.

Our last award for Gymnast of the Year was donated by Audrey and Ken Newell of the Remax Corporation. The Milton Springers extend their gratitude for this lovely donation. This year's Gymnast-of-the-Year Award was presented to Andrea Geniole.

Congratulations to all the gymnasts for their particular achievements.
Special thanks goes to coaches Janet Campbell, Vicky Landsborough, Cindy Riley, Suzanne Wood and Paula Geniole for the time and effort they have contributed to train these gymnasts. Our ballet teacher Deirdre O'Higgins must also be commended for the excellent job she has done. The ballet classes have certainly benefited the girls as we can see from their floor routines.

A note of appreciation to the moms for the excellent home cooking! The evening was

most enjoyable and fun was had by all.
Although gymnastics is almost finished for the summer, the fund-raising still goes on: Milton Springers will continue to host Bingo every other Wednesday on a Bi-weekly basis. World in Oakville on a Bi-weekly basis. World in Oakville on a Bi-weekly basis. This will be a major fund-raising effort for the club and is vital to help finance our move this fall.

A reminder that Summer Camp will be held August 20-30 from Monday to Thursday for Competitive and Pre-competitive girls. Registration for the Recreational Programs will be held Sept. 5 from 6.30-9 p.m. and Sept. 6 from 1.30-2.30 p.m. at the Springers Gym.

Hamilton, King tops in lawn bowling

Pitching & hitting

Pedulla shines for Optis

Lisa Pedulla pitched effectively and added three hits of her own to power Milton Optimists bantam girls to a 10-3 win over Eramosa Tuesday.

Pedulla rapped out a homer, a triple and double while holding Eramosa to just seven hits to record the win.

Tasha Lidkea added a single and a triple for Milton while Sheila Leach, Tammy Lonsberry and Myrna Newman added a single each.

If Milton's squirt reps can figure out a way to play a seven-inning game without the sixth inning, they'd probably fare quite well. However, until then they'll need to figure out a way to avoid the sixth-inning jitters which have hurt the club thus far.

Last week, Chinguacousy scored 10 runs in the sixth for a 21-4 win over Milton at Rotary Park. Two days later, Milton put on a good show leading Burlington 5-2 after three innings when a sudden rain shower forced the game to be postponed.

Against Chinguacousy, Milton came

rep softball

through with some defensive gems. Left fielder Nicole Stelter and right fielder Taya Strain each made nice catches. First-baseman Jennifer Leworthy also came up with a double play. Stelter paced Milton with two singles while Tanya Cherwaiko added a double and Jenny Brooks added a single.

Against Burlington, Milton got a strong pitching performance from Cherwaiko who struck out eight batters over the first three innings before the rain came. Milton threatened to jump to a bigger lead at the time of the downpour. The club had the bases loaded with just one out.

rep soccer

Major atoms blanked 3-0

Playing against a strong opponent, Milton Valvoline major atom soccer reps put up a strong effort before falling 3-0 to Brampton Monday at Brampton.

The first half was a hard-fought battle with Valvoline's defence keeping Brampton's forwards in check and not giving them the opportunity to get to the goal area. When they did get a chance to shoot at the goal, Milton's Scott MacDonald shut them out until the 27-minute mark when Brampton finally scored.

In the second half, Milton's forwards improved and they managed more shots on goal.

Constant pressure by Brampton resulted in two more goals early in the period. A rally by Valvoline's defence kept the ball in mid-field where it was kept for the rest of the game.

Milton Tandem Computers minor mosquito soccer reps kept their undefeated start of the season intact by blanking Brampton 2-0 at Brian Best Park last week.

Milton got goals from Stephen Hodgson and Blair Zachary to be worthy winners. Milton goalie Darnell Vrban made several key saves to gain his first shutout of the year.

Milton jumped into the 2-0 lead by the half-way mark with some determined efforts all-around. Tandem completely controlled the midfield and kept the Brampton defence under pressure.

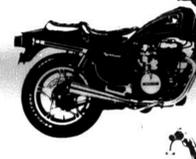

In the second half, Brampton came alive but the strong Milton defence withstood all Brampton could give.

The play was even in the second half with good end-to-end play with Corey Howitt, Gino DeAngelis, Paul Cannataro and Hodgson up front and Tom Febers, Jamie Goddings, Colin Catherwood, Kevin Fontana and Scot Woods on defence all playing well. Neil Hackett was especially sharp clearing the Tandem end with authority.
Tandem has its hands full tonight (Wednesday) when it travels to Clarkson which is 3-0.
