### SUNDAY AFTERNOON

Hey, is that you sitting over there with your eyes glued to the T.V.? I'm sure you could be doing something better than that. There's a million things to do. How about your homework? O.K. I know what you mean not to have fun but you're wasting time.

You could have free time at school if you finish up the novel study the teacher's been rushing you with. If you finish she'll or he'll be off your back. Go up to your room and possibly you'll find something better than T.V.

Enjoy!!!

### MR. BALKIND

There once was a man, Mr. Balkind

On fish he always dined.

When he wanted some fish

He put it in a dish

But it always was the wrong kind.

J'aime l'ete parce qu'il fait soleil.  
J'aime l'automne avec les feuilles rouges et jaunes.

J'aime les cerfs dans l'hiver.  
Au printemps il pleut et le ciel est bleu.
