

One of the components of the wall of bricks to be part of the Milton District Hospital expansion will have a place in the hearts of W. I. Dick School students. A group of students donated a brick last week in memory of Traci Ann Snow, one of six local teenagers who died in a car crash March 30. Eleanor Snow, mother of the 15-year-old was at the hospital last week when Charline Baskett (left), Kathy Arsenault, Carrie Sullivan and Nancy Rath purchased the \$200 brick from hospital administrator Brian Brady.
