

OPP to crack down on drinking drivers

“If a driver is impaired to contact 9-1-1 to report their location.”

OPP charges up

The Ontario Provincial Police (OPP) arrested more people this year during their annual RIDE program than in any year since 2005.

“We had hoped to see these numbers decrease significantly during this year’s campaign, in light of how much harder we have worked to educate the public about the dangers of drinking and driving,” OPP Commissioner Chris Lewis said in a press release.

“Impaired driving continues to be the leading cause of criminal death in Canada and it’s disappointing that we still have Ontario drivers who feel entitled to place other road users at risk of losing their lives to an impaired driver.”

During the holiday RIDE campaign that ran from November 24 to January 2, 693 people were charged with having excess alcohol in their blood. Another 625 warnings were issued to drivers who had between 50 and 80 mg of alcohol in their blood. Those results will make the OPP

even more determined to crack down on drinking drivers year-round, said Chief Superintendent Don Bell, commander of the OPP Highway Safety Division.

“In light of these festive RIDE statistics, we’ll be as committed as ever in 2013 to incorporating high visibility, professional traffic stops and public education... in our ongoing effort to reduce impaired driving on Ontario roads,” Bell said. The OPP conducts RIDE programs year-round but steps them up during the holiday season.

Board to hold advanced kindergarten registration

The Halton Catholic District School Board will hold advanced kindergarten registration later this month. Parents interested in registering their children for junior or senior kindergarten or full-day early learning kindergarten programs should

visit their local Catholic elementary school on January 22 and 23 between 9 a.m. and noon and 1:30 p.m. and 5 p.m. Junior kindergarten children are required to be 4 years on or before December 31, 2013. Senior kindergarten children are

required to be 5 years of age on or before December 31, 2013. Children currently registered in junior kindergarten aren’t required to register for senior kindergarten, as placement in the program will be processed by the school.
