Don't leave vehicles warming up: police

Unattended idling vehicles are a golden opportunity for thieves. That's the message Halton Regional Police would like to remind residents with the onset of frigid weather conditions, during which motorists may leave their vehicles unattended while warming up. Vehicles left idling and unattended aren't only prone to theft, but owners are subject to fines, as many municipalities have enacted bylaws to discourage the behaviour.

The Ontario provincial government says it is taking steps to ensure the horse racing industry is sustainable. It has reached an agreement with Woodbine Entertainment Group (WEG) that will ensure live horse racing continues at Mohawk Racetrack in Milton and Woodbine Racetrack in Toronto for the next two years.

Addressing the media Thursday morning during a news conference at the Canadian Horse Racing Hall of Fame at Woodbine Racetrack in Toronto, WEG officials revealed its 2013 standardbred racing schedule will include 84 dates at Mohawk. It was also announced that Woodbine will once again be home of the Queen's Plate and host 133 thoroughbred and 99 standardbred racing days.
