## Police investigate armed robbery at furniture store

Halton Regional Police are investigating a robbery that left one person injured after being shot in the cheek with a pellet gun. Police say just before 8 p.m. Thursday, three masked men carrying weapons approached three employees who were leaving Halton Furniture and Mattress on Main Street. The suspects demanded money and a struggle ensued between them and one of the employees, according to police. This person was shot in the cheek with a pellet gun. The suspects then fled the scene after taking a quantity of currency. They were last seen in a white pick-up truck that fled in an unknown direction. The only description of the suspects is male, white and wearing masks, police said. The victim was treated at hospital for the in-

jury and released. Halton police said robbery and assault are serious crimes with money often being the motivator, and reminded the public to help prevent it by: staying in groups, walking in well-lit areas and being alert to surroundings. Police also advise that if somebody attempts to rob you, do not resist them, adding that no piece of property is worth serious injury or death. Report the crime to police and attempt to provide an accurate description of the accused. Anyone with information is asked to contact Det. Sgt. Nick Milinovich at (905) 825-4747 ext. 2415, or Crime Stoppers at 1-800-222-8477 (TIPS), through the web at www.halton-crimestoppers.com or by texting 'Tip201' with your message to 274637 (crimes).
